My Name Is Joy Aug 01 2022 Up until her 40's, Sheila's life was like that of any other suburban wife and mother. Married for twenty years to the same man, she found great success balancing a career in advertising with raising two beautiful children. She also lived up to her own very high standards as a quintessential homemaker, gourmet cook, world traveler, public speaker, cyclist, marathoner, and a trainer for other athletes. Those around Sheila were amazed by her ability to juggle her seemingly perfect life. In this book, Ms. Joy candidly reveals that behind her mask of perfection was a life filled with turbulence and pain. Always working hard to cover up her insecurities and feelings of not being good enough, she never allowed herself to get close to anyone. As the adult child of an alcoholic, Sheila openly and honestly reveals her need to control the people and situations around her. It took a painful divorce, a disastrous second marriage, the threat of bankruptcy and the most tragic experience of all - her teenage son's horrific motorcycle accident and traumatic brain injury - to finally make Sheila realize that the only person she could change was herself. At last, Sheila has removed her mask. This book will motivate you with her strength, honesty, and integrity. By openly sharing her own experiences, Sheila proves that it is never too late to change. Most importantly, however, her words reveal the key to finding true and lasting joy.
