Material Matters Apr 01 2020 Bringing together texts and work by theorists and practitioners who are making material central to their work, this book reflects the diverse areas of inquiry which are expanding current material discourse. Focusing on the cultural, political, economic, technological and intellectual forces which shape material practices in architecture, the contributors draw on disciplines ranging from philosophy, history and pedagogy to art practice and digital and low-tech fabrication. By paying critical attention to material, a wide range of issues emerge which are otherwise excluded from architectural discourse, issues that shape and determine the buildings we make, the processes we use and the ways we understand them. Beautifully illustrated and designed, this book is a unique collection which will be of great interest to architectural practitioners and theorists who want to consider the wider implications of material practice, and to students who are developing their own approach to making buildings.

Guide for Celebrating® Reconciliation Oct 08 2020 In the Sacrament of Reconciliation, the encounter of the penitent with the mercy of God is one of the most transforming moments in the spiritual life of a Catholic. The ritual itself has changed throughout history, but the purpose of the sacrament has remained the same: to seek the forgiveness of the Lord and to renew one's efforts to live as a faithful and loving disciple of Jesus Christ. This resource provides pastoral insights for celebrating individual confession, communal Reconciliation services, and non-sacramental penance services with attention given to liturgical ministries, liturgical environment, and evangelization.

Matters of Principle May 03 2020 The United States is generally believed to be a liberal, rights-based culture. In such a society, Richard S. Markovits asserts, arguments of moral principle are the dominant type of legitimate legal argument. Markovits analyzes various rights associated with our society's basic duties of showing appropriate, equal respect for all creatures capable of moral integrity and appropriate, equal concern for their actualizing this potential. Ranging widely and covering in depth such flashpoint issues as educational rights, minimum real-income rights, privacy rights, abortion, parenting, sexual liberties, and the right to die, *Matters of Principle* is a deeply engaged and thoughtful work, certain to be controversial and much debated.

Celebrating Your Birthday Jul 17 2021 Of all holidays, a birthday is the most personal. Some people enjoy marking the milestone by celebrating with friends and loved ones; others welcome the day as a time for reflection on the past and contemplating on the future. Either way, everyone likes to be remembered on this special day. The seventh title in the 1-800-FLOWERS.com gift-book series, *Celebrating Your Birthday* celebrates the

birth, life, and love of a beloved friend or family member with both lighthearted and sage advice, facts, real-life quotes, and heartwarming stories from 1-800-FLOWERS.com employees and customers. Born to Dance Feb 21 2022 A New York Times bestseller! "In Jordan Matter's photos, dancers make all the world their stage." —New York Times From Jordan Matter, YouTube star and New York Times–bestselling author of *Dancers Among Us*, a celebration of what it means to be young and full of possibility, featuring gorgeous photographs of well-known dancers (including Tate McRae and Sofie Dossi) as well as stars in the making. Jordan Matter is known to millions for his 10 Minute Photo Challenge YouTube videos. Now, in one dazzling photograph after another, he portrays dancers—ages 2 through 18—in ordinary and extraordinary pursuits, from hanging with friends to taking selfies, from leaping for joy to feeling left out. The subjects include TV and internet stars like Chloé Lukasiak, Kalani Hilliker, Nia Sioux, and Kendall Vertes, as well as boys and girls from around the neighborhood. What they all share is the skill to elevate their hopes and dreams with beauty, humor, grace, and surprise. Paired with empowering words from the dancers themselves, the photographs convey each child's declaration that they were born to dance. Bonus Features: Scan the QR code next to

dozens of photos and watch behind-the-scenes videos documenting the shoots.

“When you take the natural grace of dancers and put them in unexpected places, you get photos that really tell a story.” —Fox News

True Blue Jan 29 2020 All his life Reggie had wanted people to look up to him. At last they had a legitimate reason. Now when he walks down the street, past the supermarket he robbed more than once and the ice cream stand where he worked until he was caught stealing, people stop to shake his hand and slap him on the back and wish him well.

Those passing in cars recognize him and honk their horns or wave to him out their windows. He is a symbol even amidst all that squalor. He made it, he's a success.

Listening to Children on the Spiritual Journey Dec 02 2022 How do children

experience and understand God? How can adults help children grow their life of faith?

Throughout more than a decade of field research, children's spirituality experts Catherine Stonehouse and Scottie May listened to children talk about their relationships with God, observed children and their parents in learning and worship settings, and interviewed adults about their childhood faith experiences. This accessibly written book weaves together their findings to offer a glimpse of the spiritual responsiveness and potential of children. Through case studies, it provides insight into children's perceptions of God and how they process their faith. In addition, the book suggests how parents, teachers, and ministry leaders can more effectively relate to and work with children and pre-adolescents to nurture their faith, offering a helpful picture of adults and children on the spiritual journey together.

Enduring Connections Mar 13 2021 *Enduring Connections* gives churches and ministers significant guidelines for establishing a quality childhood ministry with preschoolers and grade-schoolers. *Enduring Connections* is especially helpful to ministers and directors of childhood ministry that are called from the laity to staff positions. By focusing on building a childhood ministry that intentionally connects children to God and the community of faith through paths that are driven by relationship rather than programs, Janice Haywood has produced a resource that will help churches of any size design their own unique ministry for children. A TCP Leadership Series title.

Celebrating 40 Years of Ethnic and Racial Studies May 27 2022 This volume celebrates the 40th Anniversary of *Ethnic and Racial Studies*. It reproduces eleven classic papers published in the journal, accompanied by discussions of each paper by invited specialists, and responses from the original authors. The various discussions in this volume provide an insight into the evolution of contemporary debates and controversies in the field of ethnic and racial studies. By bringing together these papers in one volume for the first time, this book explores a number of on-going debates about race and ethnicity.

Nurturing Children's Spirituality Apr 25 2022 Children's spiritual development is currently a hot topic in Christian circles, as well as in other fields and disciplines such as educational psychology, medicine, developmental psychology, education, and sociology. The key question for Christian scholars and educators is How do Christian beliefs and practices uniquely interrelate with children's spirituality? In 2003 and again in 2006, a

national conference entitled Children's Spirituality Conference: Christian Perspectives examined children's spirituality from a distinctly Christian standpoint. This book is a collection of the best materials from the 2006 conference. The first half of the book addresses definitional, historical, and theological concerns related to spiritual development in children. The second half explores best practices for fostering spiritual growth among our children--in our homes, families, churches, Christian schools, and among special populations of children--from a wide spectrum of Christian scholars and practitioners. The volume closes with John Westerhoff's moving keynote address and Catherine Stonehouse and Scottie May's eloquent, culminating plenary address. *Nurturing Children's Spirituality* provides a rich cross section of the current research and writing by Christian scholars on children's spirituality. Method Matters Aug 30 2022 As the field of biblical studies expands to accommodate new modes of inquiry, scholars are increasingly aware of the need for methodological clarity. David L. Petersens teaching, research, and service to the guild are marked by a commitment to such clarity. Thus, in honor of Petersens work, a cohort of distinguished colleagues presents this volume as an authoritative and up-to-date handbook of methods in Hebrew Bible scholarship. Readers will find focused discussions of traditional and newly emerging methods, including historical criticism, ideological criticism, and literary criticism, as well as numerous case studies that indicate how these approaches work and what insights they yield. Additionally, several essays provide a broad overview of the field by reflecting on the larger intellectual currents that have generated and guided contemporary biblical scholarship. The contributors are Yairah Amit, Pablo R. Andiach, Alan J. Avery-Peck, John Barton, Bruce C. Birch, Susan Brayford, William P. Brown, Walter Brueggemann, Mark K. George, William K. Gilders, John H. Hayes, Christopher B. Hays, Ralph W. Klein, Douglas A. Knight, Beatrice Lawrence, Joel M. LeMon, Christoph Levin, James Luther Mays, Dean McBride, Carol A. Why Freedom Matters Mar 01 2020 Why Freedom Matters celebrates freedom in over 100 speeches, letters, essays, poems, and songs, all infused with the spirit of democracy. Here are the voices of presidents and slaves, founding fathers and hip-hop artists,

suffragettes, civil rights workers, preachers, labor leaders, and baseball players. Inspired by the Declaration of Independence, the book is published in conjunction with The Declaration of Independence Road Trip, a 3 1/2-year cross-country educational tour of an extremely rare, original hand-printed copy of the Declaration. The Declaration of Independence Road Trip's mission is to energize Americans by bringing our founding document to towns small and large across the country. Like the document itself, this compelling anthology reveals America's soul as it wrestles with questions of life, liberty, and the pursuit of happiness, and strives to fulfill the ideals of Thomas Jefferson's words.

The Progress Principle Feb 09 2021 What really sets the best managers above the rest? It's their power to build a cadre of employees who have great inner work lives—consistently positive emotions; strong motivation; and favorable perceptions of the organization, their work, and their colleagues. The worst managers undermine inner work life, often unwittingly. As Teresa Amabile and Steven Kramer explain in *The Progress Principle*, seemingly mundane workday events can make or break employees' inner work lives. But it's forward momentum in meaningful work—progress—that creates the best inner work lives. Through rigorous analysis of nearly 12,000 diary entries provided by 238 employees in 7 companies, the authors explain how managers can foster progress and enhance inner work life every day. The book shows how to remove obstacles to progress, including meaningless tasks and toxic relationships. It also explains how to activate two forces that enable progress: (1) catalysts—events that directly facilitate project work, such as clear goals and autonomy—and (2) nourishers—interpersonal events that uplift workers, including encouragement and demonstrations of respect and collegiality. Brimming with honest examples from the companies studied, *The Progress Principle* equips aspiring and seasoned leaders alike with the insights they need to maximize their people's performance.

Blue Whales and Eagles: Nov 20 2021 A simple book about cultivating deep and strong marriages. Simply put its how to navigate your marriage through tough times and relishing in the good.

Holy Communion Sep 30 2022 Through the service of Communion, the church remembers and celebrates the presence of God with us. To some, Communion is an empty ritual, devoid of meaning or personal significance. Because of that, low worship attendance commonly accompanies Communion Sundays leaving churches feeling spiritually depleted. *Holy Communion*, the second in the *Belief Matters* series, offers a richer appreciation of the sacrament and gives insights and practical suggestions for allowing Communion to have a more prominent role in church life and the Christian formation of individuals. The more Christians link Communion with spiritual formation and daily faith practice, the more likely congregations will be invigorated and empowered to carry out the missional directive to transform the world. The book is suitable for a 4-week study with study questions at the end of each chapter. The *Belief Matters* series assists pastors and clergy in explaining fundamental elements of the church and its worship to congregations. *Holy Communion* is the second in the series and follows *Incarnation* by William H. Willimon.

Welcoming Africa's children – Theological and ministry perspectives Jan 23 2022 The

purpose of this book is to combine perspectives of scholars from Africa on Child Theology from a variety of theological sub-disciplines to provide some theological and ministerial perspectives on this topic. The book disseminates original research and new developments in this study field, especially as relevant to the African context. In the process it addresses also the global need to hear voices from Africa in this academic field. It aims to convey the importance of considering Africa's children in theologising. The different chapters represent diverse methodologies, but the central and common focus is to approach the subject from the viewpoint of Africa's children. The individual authors' varied theological sub-disciplinary dispositions contribute to the unique and distinct character of the book. Almost all chapters are theoretical orientated with less empirical but more qualitative research, although some of the chapters refer to empirical research that the authors have performed in the past. Most of the academic literature in the field of Child Theologies is from American or British-European origin. The African context is fairly absent in this discourse, although it is the youngest continent and presents unique and relevant challenges. This book was written by theological scholars from Africa, focussing on Africa's children. It addresses not only theoretical challenges in this field but also provides theological perspectives for ministry with children and for important social change. Written from a variety of theological sub-disciplines, the book is aimed at scholars across theological sub-disciplines, especially those theological scholars interested in the intersections between theology, childhood studies and African cultural or social themes. It addresses themes and provides insights that are also relevant for specialist leaders and professionals in this field. No part of the book was plagiarised from another publication or published elsewhere.
