The Life of the Rev. John Braithwaite ... With a Short Memoir of His Wife, Mary Braithwaite. Compiled from His Letters and Other Authentic Documents Jun 10 2021

Natalie: A Memoir About Natalie Wood by Her Sister Apr 27 2020 This New York Times bestseller is the most intimate possible remembrance of Natalie Wood's tempestuous life and tragic death. A book that only Natalie Wood's sister could have written - a warm but unflinchingly candid account of a great star's passionate love affairs, violent fights, stormy marriages, bitter divorces, and of her controversial death by drowning at the age of forty-three, stunning a nation that adored her. Now includes rare family photographs.

The Poems of Phineas Fletcher, B. D., for the First Time Collected and Edited with Memoir, Essay and Notes by the Rev. Alexander B. Grosart Mar 27 2020

International Relations in Psychiatry Oct 22 2019 The decades around 1900 were crucial in the evolution of modern medical and social sciences, and in the formation of various national health services systems. The modern fields of psychiatry and mental health care are located at the intersection of these spheres. There emerged concepts, practices, and institutions that marked responses to challenges posed by urbanization, industrialization, and the formation of the nation-state. These psychiatric responses were locally distinctive, and yet at the same time established influential models with an international impact. In spite of rising nationalism in Europe, the intellectual, institutional, and material resources that emerged in the various local and national contexts were rapidly observed to have had an impact beyond any national boundaries. In numerous ways, innovations were adopted and refashioned for the needs and purposes of new national and local systems. *International Relations in Psychiatry: Britain, Germany, and the United States to World War II* brings together hitherto separate approaches from the social, political, and cultural history of medicine and health care and argues that modern psychiatry developed in a constant, though not always continuous, transfer of ideas, perceptions,

and experts across national borders. Contributors: John C. Burnham, Eric J. Engstrom, Rhodri Hayward, Mark Jackson, Pamela Michael, Hans Pols, Volker Roelcke, Heinz-Peter Schmiedebach, Mathew Thomson, Paul J. Weindling, Louise Westwood Volker Roelcke is professor and director at the Institute for the History of Medicine, Giessen University, Germany. Paul J. Weindling is professor in the history of medicine, Oxford Brookes University, UK. Louise Westwood is honorary research reader, University of Sussex, UK.

Memoirs Of The Principal Actors In The Plays Of Shakespeare. By J. Payne Collier, Esq., F. S. A. Oct 02 2020

Marshfield Dreams Mar 19 2022 The colorful boyhood of a popular author comes to life in this personal account Imagine learning from a nosy classmate that your mother is having yet another baby. To Ralph's classmates, news of one more Fletcher baby is just "scuttlebutt." But for Ralph, the oldest of nine, being part of a large family means more kids to join in the fun—from making tripods in the woods and "snicking" up the rug, to raising chicks and even discovering a meteor (well, maybe). It doesn't feel like there's life beyond Marshfield, Massachusetts. Then one day Dad's new job moves the family to Chicago, and there's so much Ralph has to leave behind. In this humorous and captivating memoir, Ralph Fletcher traces the roots of his storytelling.

The Methodist Review Feb 06 2021

Holy Boldness Nov 03 2020 In *Holy Boldness*, Susie C. Stanley provides a comprehensive analysis of spiritual autobiographies by thirty-four American Wesleyan/Holiness women preachers, published between the mid-nineteenth and mid-twentieth centuries. While a few of these women, primarily African Americans, have been added to the canon of American women's autobiography, Stanley argues for the expansion of the canon to incorporate the majority of the women in her study. She reveals how these empowered women carried out public ministries on behalf of evangelism and social justice. Using the tools of feminist theory and autobiographical analysis in addition to historical and theological interpretation, Stanley traces a trajectory of Christian women's autobiographies and introduces many previously unknown spiritual autobiographies that will expand our understanding of Christian spirituality in nineteenth- and twentieth-century America.

The Works of Beaumont and Fletcher; with Notes and a Biographical Memoir by Alexander Dyce Oct 26 2022

Triggered Feb 24 2020 ***AS FEATURED ON NPR'S TALK OF THE NATION*** Imagine the worst thing in the world. Picture it. Construct it, carefully and deliberately in your mind. Be careful not to omit anything. Imagine it happening to you, to the people you love. Imagine the worst thing in the world. Now try not to think about it. This is what it is like for Fletcher Wortmann. In his brilliant memoir, the author takes us on an intimate journey across the psychological landscape of OCD, known as the "doubting disorder," as populated by God, girls, and apocalyptic nightmares. Wortmann unflinchingly reveals the elaborate series of psychological rituals he constructs as "preventative measures" to ward off the end times, as well as his learning to cope with intrusive thoughts through Clockwork Orange-like "trigger" therapy. But even more than this, the author emerges as a preternatural talent as he unfolds a kaleidoscope of culture high and low ranging from his obsessions with David Bowie, X-Men, and Pokemon, to an eclectic education shaped by Shakespeare, Kierkegaard, Catholic mysticism, Christian comic books, and the collegiate dating scene at the "People's Republic of Swarthmore." Triggered is a pitch-perfect memoir; a touching, triumphantly funny, compulsively readable, and ultimately uplifting coming-of-age tale for Generation Anxiety. Fletcher Wortmann on OCD and sex: "If a girl accepts an invitation to help count the tiles on your bedroom ceiling, then she will probably be disappointed when she realizes you were speaking literally." ...on OCD and religion: "I have found Catholicism and obsessive compulsive disorder to be deeply sympathetic to one another. One is a repressive construct founded in existential terror, barely restrained by complex, arbitrary ritual behaviors; the other is an anxiety disorder." ...on OCD humor: "By the sink, I noticed a perfunctory sign warning readers to wash their hands. It was scrawled with graffiti: NO YOU CAN'T GERMS ARE UNPREVENTABLE AND INESCAPABLE." ...on the seductiveness of OCD: "Every so often, everything will work, and you will somehow convince yourself that you are safe, and the disorder will claim credit. I had struck a bargain with the OCD. The transaction was complete. In that moment I became subservient to it."
