Subpar Parks Oct 21 2021 ****A New York Times Bestseller!**** Based on the wildly popular Instagram account, *Subpar Parks* features both the greatest hits and brand-new content, all celebrating the incredible beauty and variety of America's national parks juxtaposed with the clueless and hilarious one-star reviews posted by visitors. *Subpar Parks*, both on the popular Instagram page and in this humorous, informative, and collectible book, combines two things that seem like they might not work together yet somehow harmonize perfectly: beautiful illustrations and informative, amusing text celebrating each national park paired with the one-star reviews disappointed tourists have left online. Millions of visitors each year enjoy Glacier National Park, but for one visitor, it was simply "Too cold for me!" Another saw the mind-boggling vistas of Bryce Canyon as "Too spiky!" Never mind the person who visited the thermal pools at Yellowstone National Park and left thinking, "Save yourself some money, boil some water at home." Featuring more than 50 percent new material, the book will include more depth and insight into the most popular parks, such as Yosemite, Yellowstone, the Grand Canyon, and Acadia National Parks; anecdotes and tips from rangers; and much more about author Amber Share's personal love and connection to the outdoors. Equal parts humor and love for the national parks and the great outdoors, it's the perfect gift for anyone who loves to spend time outside as well as have a good read (and laugh) once they come indoors.

52 Loaves Dec 23 2021 "A clever weekend baker learns some life lessons, loaf by loaf . . . His bright writing highlights a pleasing variety of comical misadventures" (Kirkus Reviews). William Alexander is determined to bake the perfect loaf of bread. He tasted it long ago, in a restaurant, and has been trying to reproduce it ever since. Without success. Now, on the theory that practice makes perfect, he sets out to bake peasant bread every week until he gets it right. He bakes his loaf from scratch. And because Alexander is nothing if

not thorough, he really means from scratch: growing, harvesting, winnowing, threshing, and milling his own wheat. An original take on the six-thousand-year-old staple of life, 52 Loaves explores the nature of obsession, the meditative quality of ritual, the futility of trying to re-create something perfect, our deep connection to the earth, and the mysterious instinct that makes all of us respond to the aroma of baking bread. "Serious, irreverent, funny, and informative at the same time, 52 Loaves reflects precisely the frustrating and infuriating—if not impossible—process of creating the perfect bread." —Jacques Pépin "Nitpicking obsessiveness was never so appetizing." —Entertainment Weekly "Alexander's breathless, witty memoir is a joy to read. It's equal parts facts and fun. . . . Alexander is wildly entertaining on the page, dropping clever one-liners in the form of footnotes and parenthetical afterthoughts throughout." —The Boston Globe "A warm, laugh-out-loud [memoir] . . . Alexander writes about the ups (few), the downs (numerous) and a lively history of bread itself, all recounted in a self-effacing but often irreverent voice." —The Oregonian
