[Essays on John](#) Feb 07 2021 "In this outstanding collection, eminent New Testament scholar C. K. Barrett considers various dimensions of the fourth gospel. As a

foundation for greater understanding, he discusses the theological method inherent in John's writings. He includes an important chapter on Christology that deals with Jesus' relationship to God and the nature of his

humanness. Particularly revealing is the comparison of the theological vocabulary of the Gospel of John and the Gospel of Truth. Four vital aspects of Johannine literature are discussed : symbolism, sacraments, paradox-

dualism, and history. One essay is devoted to Ignatius of Antioch, whose thought is related to John's." -- Book cover.

*The Gospel of Wealth* Aug 28 2022 "The Gospel

of Wealth" is an article written by Andrew Carnegie in June 1889 that describes the responsibility of philanthropy by the new upper class of self-made rich. Carnegie proposed that the best way of dealing with the new phenomenon of wealth inequality was for the wealthy to redistribute their surplus means in a responsible and thoughtful manner. This approach was in contrast with traditional bequest (patrimony), where wealth is handed down to heirs, and other forms of bequest e.g. where wealth is willed to the state for public purposes. Carnegie argued that surplus wealth is put to best use (i.e. produces the greatest net benefit to society) when it is administered carefully by the wealthy. Carnegie also argues against wasteful use of capital in the form of extravagance, irresponsible spending, or self-indulgence, instead promoting the administration of said capital over the course of one's lifetime toward the cause of reducing the stratification between the rich and poor. As a result, the wealthy should administer their riches responsibly and not in a way that encourages "the slothful, the drunken, the unworthy".

*Secret Gospels* Nov 30 2022 Explores the ways that the Gospels of Thomas and the Secret Gospel of Mark, and other secret gospels, provide new tools for reading the canonical gospels and for understanding the development of early Christianity.

**Essays on Some Theological Questions of the Day** Mar 30 2020 This volume of essays on

Christian doctrine was the product of an attempt to provide scholarship representative of Cambridge theology in the early twentieth-century. Edited by the great H.B. Swete, the volume presents essays by such noted scholars as F.R. Tennant, William Cunningham, William Barnes, F.J. Foakes-Jackson, and J.F. Bethune-Baker.

Gospel Topic Essays Apr 23 2022 Officials of the Church began in 2013 to publish straightforward, in-depth essays on a number of topics. The purpose of these essays, which have been approved by the First Presidency and the Quorum of the Twelve Apostles, has been to gather accurate information from many different sources and publications and place it in the Gospel Topics section of the LDS website. The Gospel of Wealth Essays and Other Writings Oct 30 2022 Words of wisdom from American philanthropist Andrew Carnegie Focusing on Carnegie's most famous essay, "The Gospel of Wealth," this book of his writings, published here together for the first time, demonstrates the late steel magnate's beliefs on wealth, poverty, the public good, and capitalism. Carnegie's commitment to ensuring and promoting the welfare of his fellow human beings through philanthropic deeds ranged from donations to universities and museums to establishing more than 2,500 public libraries in the English-speaking world, and he gave away more than \$350 million toward those efforts during his lifetime. The Gospel of Wealth is an eloquent testament to the importance of

charitable giving for the public good. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

**Studies in Matthew's Gospel** Oct 06 2020

These essays concentrate on structures and meanings in textual units from Matthew's Gospel. New tools are developed for the intertextual analysis of relations with texts from the Hebrew Bible and the Septuagint. New windows are opened on shifts in the identity of Matthean communities.

*The Mormon Church and Blacks* Feb 28 2020

The year 1978 marked a watershed year in the history of The Church of Jesus Christ of Latter-day Saints as it lifted a 126-year ban on ordaining black males for the priesthood. This departure from past practice focused new attention on Brigham Young's decision to abandon Joseph Smith's more inclusive original teachings. *The Mormon Church and Blacks* presents thirty official or authoritative Church statements on the status of African Americans in the Mormon Church. Matthew L. Harris and Newell G. Bringhurst comment on the individual documents, analyzing how they

reflected uniquely Mormon characteristics and contextualizing each within the larger scope of the history of race and religion in the United States. Their analyses consider how lifting the ban shifted the status of African Americans within Mormonism, including the fact that African Americans, once denied access to certain temple rituals considered essential for Mormon salvation, could finally be considered full-fledged Latter-day Saints in both this world and the next. Throughout, Harris and Bringhurst offer an informed view of behind-the-scenes Church politicking before and after the ban. The result is an essential resource for experts and laymen alike on a much-misunderstood aspect of Mormon history and belief.

*A More Radical Gospel* Sep 28 2022 This series explores themes of Christian faith and life from the perspective of the Lutheran confession.

Written by respected scholars and teachers, these volumes aim to apply Lutheran principles to the problems of contemporary society and to promote greater understanding between Lutherans and other Christians. Book jacket.

**Mission Between the Times** Sep 16 2021

This revised version includes a new essay on the contemporary history of integral mission, a history that began with the Latin American Theological Fellowship, progressed within the Lausanne Movement, is bearing fruit globally through the Micah Network, and challenges evangelicals to address the major issues of our day. By almost any measure, a bold and

confident use of the Bible is a hallmark of Christianity. Underlying such use are a number of assumptions about the origin, nature and form of the biblical literature, concerning its authority, diversity and message. However, a lack of confidence in the clarity or perspicuity of Scripture is apparent in Western Christianity. Despite recent, sophisticated analyses, the doctrine is ignored or derided by many. While there is a contemporary feel to these responses, the debate itself is not new. In this excellent study, Mark Thompson surveys past and present objections to the clarity of Scripture; expounds the living God as the Guarantor of his accessible, written Word; engages with the hermeneutical challenges; and restates the doctrine for today.

**A Coming Christ in Advent** Nov 26 2019

Father Brown reflects here not only on those annunciations of Jesus' forthcoming birth in the Gospels of Matthew and Luke, but also on the beautiful canticles, the Magnificat and the Benedictus, and on the origins of Jesus as given in the first words of the New Testament.

Rediscovering John Jun 25 2022 In occasione dei 70 anni di Frédéric Manns ofm, biblista conosciuto e stimato in tutto il mondo, un gruppo di suoi prestigiosi colleghi ha voluto dedicargli un volume ricco di contributi sul vangelo di Giovanni, di cui p. Manns è esperto.

The Theology of the Gospel of Mark Jun 13 2021 This 1999 book presents the reader with a comprehensive view of the theology underlying the first narrative account of the life of Jesus. In

Chapter 1 Dr Telford introduces the background of the text and its general message, attempting briefly to place the Gospel (and therefore its theology) in its historical setting. In the second chapter, he describes and analyses the Gospel's theology, again from an historical perspective and with particular regard to its original context. In the third chapter, Telford goes on to examine the Gospel in relation to other relevant writings of the New Testament. Briefly reviewing this larger corpus and highlighting parallels and contrasts, where appropriate, he seeks to locate the Gospel's theology in its wider canonical context. The fourth and final chapter ranges even further afield, commenting on the Gospel's history of interpretation and on its significance in the contemporary context.

*Why the Church Is as True as the Gospel* Apr 11 2021 This collection of essays by Eugene England demonstrates his contention that life without participation in the Church is not life at all. He shows that members of the LDS Church can participate in the Church without abandoning the intellect.

*The Great Books Reader* Mar 11 2021 Great Books programs have become increasingly popular among Christian colleges, high schools, and even home schoolers. This one-of-a-kind book is designed for those who do not have the opportunity to attend such a program but are still interested in directly engaging with the Western Canon. It contains substantial excerpts from thirty of the most important books in

history, with each excerpt followed by an essay placing the work in historical and Christian context. Readers can learn directly from such authors and thinkers as Plato, Aristotle, Augustine, Dante, Chaucer, Shakespeare, Milton, de Tocqueville, Freud, and Chesterton. Selected as one of 2011's Best Books for Preachers by Preaching Magazine

**The Oral Gospel Tradition** Jan 09 2021 The traditions about Jesus and his teaching circulated in oral form for many years, continuing to do so for decades following the writing of the New Testament Gospels. James Dunn is one of the major voices urging that more consideration needs to be given to the oral use and transmission of the Jesus tradition as a major factor in giving the Synoptic tradition its enduring character.

**The Gospel of John** May 13 2021 This popular verse-by-verse exposition of John, based on Bruce's own translation of the Gospel, reflects Bruce's customary ability to make the benefits of his scholarship accessible to the general reader. Footnotes and bibliography are included, pointing the reader to resources for further study.

*The Gospel According to Mark* Aug 16 2021 The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

*Gospel Reading and Reception in Early Christian Literature* Aug 04 2020 Gospel writing always follows Gospel reading, a complex literary act of reception that interprets the theological significance of Jesus. This volume seeks to demonstrate the intricate dynamics of this controversial figure's theological and textual reception through foundational essays on specific texts and themes.

**Essays on the Patriarchal Narratives** Dec 08 2020 Today, there is renewed interest in the history and traditions of the patriarchal period. Recent publications have sought, among other things, to show that the biblical patriarchs were a literary, even fictional, creation of the first millennium BC, produced to provide the nation of Israel, which came into prominence only then, with "founding fathers." Much of this new writing is helpful in distinguishing what are traditional or speculative interpretations from the basic texts of Genesis. Sometimes archaeological evidence has been adduced in support of the historicity of the patriarchs and their cultural background in the second millennium BC which can no longer be sustained. Sometimes, however, the value of such evidence is ignored or belittled. -- from the preface

*Preaching Gospel* Dec 20 2021 Teaching preaching, like preaching itself, is a noble endeavor. After nearly four decades of teaching, Richard Lischer has sent legions of preachers across the world to preach gospel.

This volume pays tribute to his faith-filled life of preaching and teaching. The contributors, some of whom were taught by Lischer, have received many laurels themselves, so readers will find in these pages wisdom for preaching from many quarters. Some authors include sermons with helpful commentary about the preaching exercise; some offer essays to illuminate the task of sermon writing; all acknowledge the influence of Richard Lischer on their preaching and teaching endeavors.

**Scrutinizing the Signs of the Times in the Light of the Gospel** Jan 27 2020 Gaudium et spes (Pastoral Constitution on the Church in the Modern World) was promulgated on December 7, 1965. It mirrors a new spirit of openness of the Catholic Church to the world, as well as a new historical consciousness, based on a self-understanding of the Catholic Church as "linked with mankind and its history by the deepest bonds" (GS, 1). This historical consciousness resulted in a method of social discernment which, inspired by John XXIII, was articulated by Gaudium et spes in terms of 'scrutinizing the signs of the times' and of 'interpreting them in the light of the gospel' (GS, 4). Conscious of the need to revisit the pastoral constitution of Vatican II, the Centre for Catholic Social Thought at the Catholic University of Leuven, has organised two international expert seminars. The first expert seminar (6-7

September 2003) was rather explorative and focused on the relevance of catholic social thought in its actual context with special attention paid to the signs of the times in an era of globalisation. The discussion on the contemporary signs of the times revealed the necessity to clarify the theoretical and practical implications of the methodology of social discernment and particularly of a social hermeneutic in the light of the gospel. This became the theme of a second expert seminar (Leuven, Louvain-la-Neuve, 9-11 September 2004), the discussions of which are the background to this book.

**A Risen Christ in Eastertime** Nov 18 2021 In this book, Raymond E. Brown makes the rich insights of the modern biblical exegesis available for reflection during the Easter season by commenting on the Gospel stories of the risen Christ. (Adapted from back cover).

*A Crucified Christ in Holy Week* Jan 21 2022 This best selling book is certain to remain in the forefront of Gospel exegesis for years to come. In it, Father Brown treats the Gospels, written thirty to sixty years after the life of Christ, as reflecting considerable theological and dramatic development and not simply as literal accounts of a historical event. "This volume is worthy of recognition. . . . It is well written, pastorally sensitive and possesses a clear theological focus." Catholic Journalist "Brown has the uncanny ability to introduce critical scholarship to the general reader in a manner that both invokes interest and raises pertinent questions in the mind." Conrad Hoover Sojourner

*The Way of Ignorance* Dec 28 2019 A soulful, searching collection of essays that tackle the complexities of contemporary America from "the prophet of rural America" (New York

Times). From the war in Iraq to Hurricane Katrina to the political sniping engendered by Supreme Court nominations—contemporary American society is characterized by divisive anger, profound loss, and danger. Wendell Berry, “the prophet of rural America” (New York Times) and one of the country’s foremost cultural critics, responds with hope and intelligence in a series of essays that tackle the major questions of the day. Whose freedom are we considering when we speak of the free market or free enterprise? What is really involved in our national security? What is the price of ownership without affection? Berry answers in prose that shuns abstraction for clarity, coherence, and passion, giving us essays that may be the finest of his long career. “Everything in the book illumines.” —Booklist “[Berry’s] poems, novels and essays . . . are probably the most sustained contemporary articulation of America’s agrarian, Jeffersonian ideal.” —Publishers Weekly “Wendell Berry is one of those rare individuals who speaks to us always of responsibility, of the individual cultivation of an active and aware participation in the arts of life.” —The Bloomsbury Review

**Gospel Essays** Mar 23 2022 Is meticulous Matthew also mathematically so? Why does Matthew alone in the canon discuss guards at Jesus' tomb? For popular storytellers in the early church, is the serpent of the Garden the unseen catalyst in the murder of John the Baptist? Why do almost three dozen words beginning with the Hebrew letter ayin have

analogues in Luke's infancy narratives? Why do Mary's meditations there cohere with Psalm 19? John's Jesus describes himself as Way, Truth and Life. Does this bear any relation to the single Latin term *veritas*? St. Ignatius of Antioch, in his letter to the Ephesians, talks about the song of the Body of Christ and people as stringed instruments. Does John know that idea? What does the Roman legend of the emergence of bees from the carcass of a slain ox have to do with the early church? In these close readings of the Gospels, the reader will rediscover the fascination of listening to some of the original resonance of the New Testament text with Hebrew, Greek, and Latin culture. Attentive to detail and persistent in asking questions about the larger picture, this scholarship fulfills the promise inherent in research.

*Designs for the Church in the Gospel of John* Jul 03 2020 The essays in this volume, which span four decades, represent sustained reflection on the historical setting, narrative devices, and theology of the Gospel of John. Methodologically, the essays develop a narrative-critical approach to the Gospel, producing insights that have implications for historical and theological issues. Thematically, many of the essays explore the Gospel's ecclesiology, especially its vision for the church and its mission. As a collection, this volume provides an introduction to the Fourth Gospel, analyses of major issues (including John's anti-Judaism, relationship to 1 John, irony, imagery,

creation ethics, evil, and eschatology), and in-depth exploration of key texts, especially John 1:1-18, 2:20; 4:35-38; 5:1-18; 5:21-30; 10:1-18; 12:12-15; 13:1-20; 19:16-30; 20:19-23; and chapter 21.

**Answers to Gospel Questions** Jan 01 2023

The Written Gospel Oct 25 2019 This book comprehensively surveys the origin, production and reception of the canonical gospels in the early church. The discussion unfolds in three steps. Part One traces the origin of the 'gospel' of Jesus, its significance in Jewish and Hellenistic contexts of the first century, and its development from eyewitness memory to oral tradition and written text. Part Two then more specifically examines the composition, design and intentions of each of the four canonical gospels. Widening the focus, Part Three first asks about gospel-writing as viewed from the perspective of ancient Jews and pagans before turning to the question of reception history in the proliferation of 'apocryphal' gospels, in the formation of the canon, and in the beginnings of a gospel commentary tradition.

**Servants of the Gospel** Nov 06 2020 *Servants of the Gospel* is a collection of essays by American bishops on the bishop's role in the Church today. Written in anticipation of the Synod (worldwide gathering) of Bishops scheduled for the Year 2000 to discuss this very topic, these essays are geared to helping all people understand the unique and challenging

task of the successors of the apostles. This timely work is specifically designed to foster lay cooperation with bishops as the Church continues Christ's mission into the third Christian millennium.

**The People of God** Sep 24 2019 The term Believers' Church refers to those who regard the church as the fellowship of regenerate followers of Jesus Christ. Membership in these churches is founded on a voluntary confession of Jesus as Lord. Each member has access to God in worship and prayer and accepts

responsibility for carrying the gospel to the world. The Word of God serves as the final authority in all matters of faith and practice. Written by capable thinkers in the Believers' Church tradition, *The People of God* addresses key issues in the area of ecclesiology. The contributions represent a wide variety of mature theological reflection. Exploring these ecclesiological concerns from a theological, biblical, historical, and contemporary perspective, these essays reflect the unity and diversity of the Believers' Church heritage.

**The Shape of the Gospel** Aug 23 2019 ÒMost of the following essays reveal my interest in the significance of literary forms--both the short literary forms in the Gospels, such as pronouncement stories, and an entire Gospel as a formed narrative. I am interested in the significance of these forms, not just in literary classification systems . . . . I am interested in literary form as a clue to how the text may engage hearers and readers--impact their

thought and life--if they are sensitive respondents. The Gospel stories have been shaped in ways that give them particular potentials for significant engagement. Study of literary form can help us recognize these potentials. --from the Introduction Contents
