I've Been Burping in the Classroom Jun 26 2019 Provides silly, school-themed lyrics to popular tunes.

The Trouble Ball: Poems Jan 26 2022 "[An] important work . . . inspiring its readers to greater human connection and to keep fighting the good fight."—The Rumpus In this new collection of poems, Martin Espada crosses the borderlands of epiphany and blasphemy: from a pilgrimage to the tomb of Frederick Douglass to an encounter with the swimming pool at a center of torture and execution in Chile, from the adolescent discovery of poet Omar Khayyám to the death of an "illegal" Mexican immigrant, from "The Trouble Ball" On my father's island, there were hurricanes and tuberculosis, dissidents in jail and baseball. The loudspeakers boomed: Satchel Paige pitching for the Brujos of Guayama. From the Negro Leagues he brought the gifts of Baltasar the King; from a bench on the plaza he told the secrets of a thousand pitches: The Trouble Ball, The Triple Curve, The Bat Dodger, The Midnight Creeper, The Slow Gin Fizz, The Thoughtful Stuff. Pancho Coimbre hit rainmakers for the Leones of Ponce; Satchel sat the outfielders in the grass to play poker, windmilled three pitches to the plate, and Pancho spun around three times. He couldn't hit The Trouble Ball.

Everything to Play for Oct 11 2020

A Shropshire Lad Jun 18 2021

Motion Sep 02 2022 A collection of poems influenced by sports includes contributions from Raymond Carver, Marvin Bell, James Wright, Richard Wilbur, James Dickey, and Sherman Alexie, among others. Simultaneous.

My Cat Knows Karate Jan 14 2021 Kenn Nesbitt returns with another round of the ridiculous rhymes, wacky wordplay, and preposterous punchlines that kids love to read. My Cat Knows Karate includes seventy new poems about goofy gadgets, kooky characters, funny families, absurd situations, and much, much more.

Baseball Feb 12 2021 From its remarkable design to its effervescent language, George Bowering's ode to the beautiful game is as original as it is funny, as bittersweet as it is playful. A long-out-of-print Coach House classic, originally published in 1967, Baseball weaves together mythology, autobiography, literary history and pop culture into an inimitable book-length poem that explores all the nuances of the sport. Here are all the greats: Mantle, DiMaggio, Maris, Williams and Manuel Louie, shortstop for the Wenatchee Chiefs, their exploits captured in passages of off-kilter, occasionally melancholy, lyricism. Gar Smith's enchanting and ingenious design has also been preserved; the book, complete with green velvet-flocked covers, is shaped like a pennant that, when unfolded, forms a diamond. A long-time utility player, Bowering (our Homer?) has written books in many different genres and was named Canada's first Poet Laureate. Baseball is a tantalizing glimpse of the writer at the beginning of his illustrious career; a real curveball of a book that will dazzle literature and sports fans alike.

Poetry Reloaded A Practical Guide for Senior Students Nov 11 2020 Introduces students to poetry in the context of understanding basic poetic forms, devices and techniques. As students encounter and respond to poems in a variety of ways, students will develop essential vocabulary, literacy and language skills. Poetry Reloaded uses an engaging writing style to draw students into the world of poetry. By demonstrating how poetry is relevant to many of the things that interest students today. • Annotated poems and biographies bring poetry to life • Stunning, full colour illustrations and other visually engaging material focus on visual literacy • Focus questions encourage students to explore the possible meanings of each poem • Engaging activities cater for a range of abilities, learning styles and interests • A comprehensive glossary of poetic forms, terms, techniques help students remember key concepts • Reading lists extend the experience of poetry in areas of particular interest • Companion website

Bodies Built for Game Dec 25 2021 Sport has always been central to the movements of both the nation-state and the people who resist that nation-state. Think of the Roman Colosseum, Jesse Owens's four gold-medal victories in the 1936 Nazi Olympics, Kareem Abdul-Jabbar's protest at the 1968 Olympics, and the fallout Colin Kaepernick suffered as a result of his recent protest on the sidelines of an NFL game. Sport is a place where the body and the mind are the most dangerous because they are allowed to be unified as one energy. *Bodies Built for Game* brings together poems, essays, and stories that challenge our traditional ideas of sport and question the power structures that athletics enforce. What is it that drives us to athletics? What is it that makes us break our own bodies or the bodies of others as we root for these unnatural and performed victories? Featuring contributions from a diverse group of writers, including Hanif Abdurraqib, Fatimah Asghar, Reginald Dwayne Betts, Louise Erdrich, Toni Jensen, Ada Limón, Tommy Orange, Claudia Rankine, Danez Smith, and Maya Washington, this book challenges America by questioning its games.

Gender Inequality in Sports Aug 28 2019 "We trained just as hard and we have just as much love for our sport. We deserve to play just as much as any other athlete. . . . I am sick and tired of being treated like I am second rate. I plan on standing up for what is right and fighting for equality." —Sage Ohlensehlen, Women's Swim Team Captain at the University of Iowa Forty years ago, US president Richard Nixon signed Title IX into law, making it illegal for federally funded education programs to discriminate based on sex. The law set into motion a massive boom in girls and women's sports teams, from kindergarten to the collegiate level. Professional women's sports grew in turn. Title IX became a massive touchstone in the fight for gender equality. So why do girls and women—including trans and intersex women—continue to face sexist attitudes and unfair rules and regulations in sports? The truth is that the road to equality in sports has been anything but straightforward, and there is still a long way to go. Schools, universities, and professional organizations continue to struggle with addressing unequal pay, discrimination, and sexism in their sports programming. Delve into the history and impact of Title IX, learn more about the athletes at the forefront of the struggle, and explore how additional changes could lead to equality in sports. "Girls are socialized to know . . . that gender roles are already set. Men run the world. Men have the power. Men make the decisions. . . . When these girls are coming out, who are they looking up to telling them that's not the way it has to be? And where better to do that than in sports?" —Muffet McGraw, Head Women's Basketball Coach at Notre Dame "Fighting for equal rights and equal opportunities entails risk. It demands you put yourself in harm's way by calling out injustice when it occurs. Sometimes it's big things, like a boss making overtly sexist remarks or asserting they won't hire women. But far more often, it's little, seemingly innocuous, things . . . that sideline the women whose work you depend on every day. You can use your privilege to help those who don't have it. It's really as simple as that." —Liz Elting, women's rights advocate

Sport Apr 16 2021 Sport is big business; international in nature and the focus of much media and cultural attention. In this Very Short Introduction, Mike Cronin charts the history of sport, from its traditional origins in folk football and cock fighting to its position as a global phenomenon today. Looking at a variety of sports from team games such as rugby, cricket, and football to games for individuals such as golf, tennis, and skiing, he considers how these first emerged and captivated the interest of ordinary people, and how sport has been transformed within our daily lives. Exploring the relationship between sport and class, gender, commerce, identity, and ethics, Cronin considers some of the central issues in sport today, including the high pay of professional footballers and the glamour of women in sports, as well as fair play standards. Charting sport through the ages and around the world, this is a short guide to the history, development, and place of sport in contemporary global society. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

I Hope I Don't Strike Out Feb 24 2022 *I Hope I Don't Strike Out* is the first major anthology of funny poems about sports. It was designed to motivate sports-loving boys and girls to read by focusing on the funny side of sports. It covers all major sports in which kids participate, including baseball, football, basketball, soccer, swimming, skiing, running, karate, golf, volleyball, and dogeball. Kids will love poems that serve up "the inside scoop" on how catchers make batters take their eyes off the ball, how nervous batters hit fastballs they can't even see, blood-curdling cheers that cause opponents to run home to their mommies, what to expect your first day at karate school, what not to pack for a ski trip, and how to score the winning goal in a kindergarten soccer game. In all, 22 of the funniest sports poems ever published by Lansky and his all-star team of Giggle Poets are sure to have kids laughing while they sit on the bench, waiting for a starter to foul out. iParenting Media Awards 2008 Excellent Product Winner; Poetry USABookNews.com 2008 FINALIST; Poetry: Anthologies Teachers' Choice Awards (TCA) 2009 Teachers' Choice Awards for the Family: Children's Books WINNER in Learning Magazine Teachers' Choice Awards for the Family: Children's Books

Rugby Poems: Sonnets and Such Jan 02 2020 A series of poems on the sport I love / Rugby on paper, a straight transcription / Sent for the soul like manna from above / "Did he put a poem in the description?"

The Poetry Friday Anthology Jul 28 2019

Giggle Poetry Reading Lessons Sep 21 2021 Many struggling readers are embarrassed to read aloud. They are often intimidated or bored by texts that reading specialists require them to practice. So, instead of catching up, they are falling further behind. This handbook filled with poetry reading lessons can help turn struggling readers into happy readers. Sports! Sports! Sports! Oct 03 2022 A dynamic collection of poems celebrates the joy and anguish of baseball, basketball, football, ice hockey, soccer, skating, swimming, and running races. By the editor of *Weather: Poems for All Seasons*.

Poems on Sport May 30 2022

You Just Wait Dec 13 2020 YOU JUST WAIT: A Poetry Friday Power Book features twelve PowerPacks that use creative activities to get tweens and teens (Grades 6-12) thinking, drawing, reading, and writing. Here's a story-in-poems about Paz, an Asian-Latina soccer star; Lucesita, her feisty movie-loving cousin; and Joe, an older brother with dreams of the NBA. Resources for readers (as well as teachers and book club leaders) include recommended book lists and websites, writing checklists, talking points and performance tips, and places to publish their own poetry. (An NCTE Poetry Notable)

50 Ways to Score a Goal and Other Football Poems Jul 08 2020 A funny collection of football poems by Brian Bilston, the unofficial Poet Laureate of Twitter. Perfect for football fans of all ages - from the young footie fanatic to a been-to-every-game-grandma, and every 'I could've been a pro' in between. Full of poems that will make you giggle about all things football, including being left out of the World Cup squad, mum's opinion on Messi vs Ronaldo, or those unmissable fixtures: 'I'd love nothing more than to go outside and spend time with Mother Nature. But what can I do? It's out of my hands: Nigeria are playing Croatia 50 Ways to Score a Goal and Other Football Poems includes witty chants, a haiku or two, and fun shape poems about the beautiful game. Laugh together through the Euros or Premier League games, and swap the half-time pundits for puns! Bilston is a magician with words' - Guardian 'Someone who knows their way round both a joke and a bittersweet narrative.' - The Times

Head Off & Split Oct 30 2019 "Nikky Finney has been a fine poet much too long to say that this latest treasure is her promise coming into being. She exploded with so much talent with *On Wings Made of Gauze* and beautifully matured with *Rice*, yet *Head Off & Split* takes the promise of youth with the control of adulthood to bring her greatest exploration. Honest, searing, searching. We all, especially now, need this book of poems; we all, especially now, need this poet."---Nikki Giovanni, author of *Bicycles* "Beginning with the sweepingly inclusive and powerful 'Red Velvet,' a Middle Passage poem for our times, Nikky Finney takes the reader to a wonderfully alive world where the musical possibilities of language overflow with surprise and innovation. Finney has an ear to go along with the wildness of her imagination, which sweeps through history like a pair of wings. Her carefully modulated free verse is always purposeful in its desire to move the reader in a way that allows us intimate access to necessary observations about ourselves. These poems, in other words, have the power to save us."---Bruce Weigl, author of *What Saves Us* "In Nikky Finney's *Head Off & Split* the beauty of language soars and saves us even as we skirt the raw edge of terror. And something rare and precious is restored, a light, a circling movement of the spirit. This is poetry to give thanks for."---Meena Alexander, author of *Quickly Changing River* "No one opens a vein on the page with a sharper and more nuanced gathered set of senses than Nikky Finney. In *Head Off & Split*,

she takes aim at the heart of American wrong-headedness with a sense of purpose and integrity not only respectful of, but fueled by, her own brand of multiple kinships and remembrance, a grand struggle-swagger of powerful literary inheritance."---Thomas Sayers Ellis, author of *Skin, Inc.* "With *Head Off & Split*, Nikky Finney establishes herself as one of the most eloquent, urgent, fearless and necessary poets writing in America today. What makes this book as important as anything published in the last decade is the irresistible music, the formal dexterity and the imaginative leaps she makes with metaphor and language in these simply stunning poems. This is a very, very important achievement."---Kwame Dawes, author of *Hope's Hospice*

The Museum of Clear Ideas Apr 04 2020 "With *The One Day*, this is his best work, a modest, skeptical, and brave poetry that embodies something essential about this late American century." ---Harvard Review This is Donald Hall's most advanced work, extending his poetic reach even beyond his recent volumes. Conflict dominates this book, and conflict unites it. Hall takes poetry as an instrument for revelation, whether in an elegy for a (fictional) contemporary poet, or in the title series of poems, whose form imitates the first book of the *Odes of Horace*. The book's final section, "Extra Innings," moves with poignancy to questions about the end of the game. "A stunning volume of testamentary verse . . . an often perfect American blend of rue and buoyancy, narrative verve and grace." ---The New Yorker "Donald Hall is our finest elegist. The *Museum of Clear Ideas* is as original, idiosyncratic, and un-museumlike a poetic work as we are likely to see for a long time to come." ---Richard Tillinghast, *The New Criterion* "Hall's poems make 'durable relics' of late twentieth-century life in much the same way that Byron's *Don Juan* does for the early nineteenth. The 'clear ideas,' however, are timeless." ---Beloit Poetry Journal "These are some of the darkest lines Donald Hall has ever composed. They move through aching poignancy through illness diagnosed, sorrow, and poignant revelation, yet the final chord is not one of despair." ---Robert Taylor, *Boston Globe* "A collection of powerful new poems . . . Hall's voice is more mature and classically spare than ever, offering revelatory glimpses of wisdom." ---Publishers Weekly "A brilliantly inventive tour de force . . . A significant and engaging book." ---Library Journal

Fathers Playing Catch with Sons Aug 09 2020 Describes the author's experiences playing and watching baseball, examines sports writers, and discusses basketball, football, and ping pong

The Secret Library Oct 23 2021

Balancing Acts: Women in Sport Jul 20 2021

Erratic Fire, Erratic Passion Mar 28 2022 *Erratic Fire, Erratic Passion* is a collection of found poems composed of the words of professional athletes. The content of post-game interviews and sports chatter is so often meaningless, if not insufferable, and yet there are athletes like Metta World Peace who transcend lame clichés and rote patter, who use language in surprising ways, who can be funny and shocking and insightful and alarmingly sincere — pure poetry. Muhammad Ali offered dazzling displays of lexical wizardry, and Allen Iverson's infamous "practice" rant shifted the post-game press conference from the banal to the absurd. This book is a celebration of these rare and exceptional moments. Various poetic forms and line-breaks highlight — or, in the words of Deion Sanders, "deem to set a candor on" — the sophisticated, sublime, and surprising performances of language made by professional athletes.

The Great War, The Waste Land and the Modernist Long Poem Jun 30 2022 The Great War, The Waste Land and the Modernist Long Poem explores how cultural responses to the trauma of the First World War found expression in the form of the modernist long poem. Beginning with T.S. Eliot's *The Waste Land*, Oliver Tearle reads that most famous example of the genre in comparison with lesser known long poems, such as Hope Mirreles's *Paris: A Poem*, Richard Aldington's *A Fool I'* the Forest and Nancy Cunard's *Parallax*. As well as presenting a new history of this neglected genre, the book examines the ways in which the modernist long poem represented the seminal literary form for grappling with the crises of European modernity in the wake of World War I.

The Stasi Poetry Circle Jun 06 2020 The extraordinary true story of the Stasi's poetry club: Stasiland and The Lives of Others crossed with Dead Poets Society. 'A magnificent book . . . at once touching, exquisite, devastating and extraordinary.' PHILIPPE SANDS, author of *East West Street* and *The Ratline* 'A vivid, funny, and imperturbable portrait of Soviet Russia's most loyal satellite.' NELL ZINK Berlin, 1982. Morale is at rock bottom in East Germany as the spectre of an all-out nuclear war looms. The Ministry for State Security is hunting for creative new weapons in the war against the class enemy - and their solution is stranger than fiction. Rather than guns, tanks, or bombs, the Stasi develop a programme to fight capitalism through rhyme and verse, winning the culture war through poetry - and the result is the most bizarre book club in history. Consisting of a small group of spies, soldiers and border guards - some WW2 veterans, others schoolboy recruits - the 'Working Group of Writing Chekists' met monthly until the Wall fell. In a classroom adorned with portraits of Lenin, they wrote their own poetry and were taught verse, metre, and rhetoric by East German poet Uwe Berger. The regime hoped that poetry would sharpen the Stasi's 'party sword' by affirming the spies' belief in the words of Marx and Lenin, as well as strengthening the socialist faith of their comrades. But as the agents became steeped in poetry, revelling in its imaginative ambiguity, the result was the opposite. Rather than entrenching State ideology, they began to question it - and following a radical role reversal, the GDR's secret weapon dramatically backfired. Weaving unseen archival material and exclusive interviews with surviving members, Philip Oltermann reveals the incredible hidden story of a unique experiment: weaponising poetry for politics. Both a gripping true story and a parable about creativity in a surveillance state, this is history writing at its finest.

Poem Runs Aug 21 2021 Collects a series of poems celebrating the sport of baseball, including poems on the pitcher, the first baseman, the umpire, and the fans.

Good Sports Apr 28 2022 Exhilarating, all-new, kid-friendly rhymes capture the range of emotions, from winning to losing to the sheer joy of participating, that children experience as they discover the games of their choice. Jack Prelutsky, a virtuoso at making poetry fun for the elementary school crowd, includes in this inspired collection poems about baseball, soccer, football, skating, swimming, gymnastics, basketball, karate, and more. His signature lighthearted humor in verse that trips off the tongue is coupled here with the 2006 Caldecott Medal winner Chris Raschka's lickety-split, stylized (and stylish) watercolors. Every page is a blaze of color and motion. Whether *Good Sports* will create good sports remains to be seen, but it will prove to young boys (and girls) that reading poetry can be fun.

Pucks, Clubs, and Baseball Gloves Mar 16 2021 "Introduces basic poetry forms and terms through the use of original sports-themed poems"--

Power Games Sep 29 2019 The Olympics have a checkered, sometimes scandalous, political history. Jules Boykoff, a former US Olympic team member, takes readers from the event's nineteenth-century origins, through the Games' flirtation with Fascism, and into the contemporary era of corporate control. Along the way he recounts vibrant alt-Olympic movements, such as the Workers' Games and Women's Games of the 1920s and 1930s as well as athlete-activists and political movements that stood up to challenge the Olympic machine.

Hoops May 06 2020 Illustrations and poetic text describe the movement and feel of the game of basketball.

Field-Sports. A poem, etc Mar 04 2020

The Crossover Dec 01 2019 'With a bolt of lightning on my kicks . . . The court is SIZZLING. My sweat is DRIZZLING. Stop all that quivering. Cuz tonight I'm delivering' 12-year-old Josh and his twin Jordan have basketball in their blood. They're kings of the court, star players for their school team. Their father used to be a champion player and they each want nothing more than to follow in his footsteps. Both on and off the court, there is conflict and hardship which will test Josh's bond with his brother. In this heartfelt novel in verse, the boys find that life doesn't come with a play-book and it's not all about winning.

Olympic Poems May 18 2021 A brilliant, funny and inspiring collection of poems about sport by Brian Moses and Roger Stevens! There are poems about winning and about taking part; poems about having all the right kit, but no talent; poems that show that coming first in the egg and spoon race really is as important to your mum and dad as being an Olympic athlete; poems about being a team player and poems about being an individual hero. In fact, this book is packed with sporting gems of all kinds. Perfect for any young poet or aspiring olympian.

Home Run, Touchdown, Basket, Goal! Nov 23 2021 With sweet and simple rhymes, these poems celebrate a range of sports. From baseball and basketball, to karate and swimming, there's something for everyone! I've got my ball I've got my glove I'm ready for the game I love Baseball, basketball, karate, gymnastics, lacrosse, cycling, hockey, soccer, figure skating, tennis, football, and swimming—sports are so much fun to play together. Young and adorable art adds extra appeal to *Home Run, Touchdown, Basket, Goal!*, a poetry collection for the very youngest of athletes.

The Sport of Kings Sep 09 2020 A Finalist for the Pulitzer Prize Winner of the Kirkus Prize for Fiction • A Recipient of the Windham-Campbell Prize for Fiction • A Finalist for the James Tait Black Prize for Fiction • A Finalist for the Baileys Women's Prize for Fiction • A Finalist for the Rathbones Folio Prize • Longlisted for an Andrew Carnegie Medal for Excellence • One of New York Times Book Review 100 Notable Book Named a Best Book of the Year by Entertainment Weekly • GQ • The New York Times (Selected by Dwight Garner) • NPR • The Wall Street Journal • San Francisco Chronicle • Refinery29 • Booklist • Kirkus Reviews • Commonweal Magazine "In its poetic splendor and moral seriousness, *The Sport of Kings* bears the traces of Faulkner, Morrison, and McCarthy. . . . It is a contemporary masterpiece."—San Francisco Chronicle Hailed by *The New Yorker* for its "remarkable achievements," *The Sport of Kings* is an American tale centered on a horse and two families: one white, a Southern dynasty whose forefathers were among the founders of Kentucky; the other African-American, the descendants of their slaves. It is a dauntless narrative that stretches from the fields of the Virginia piedmont to the abundant pastures of the Bluegrass, and across the dark waters of the Ohio River; from the final shots of the Revolutionary War to the resounding clang of the starting bell at Churchill Downs. As C. E. Morgan unspools a fabric of shared histories, past and present converge in a Thoroughbred named Hellmouth, heir to Secretariat and a contender for the Triple Crown. Newly confronted with one another in the quest for victory, the two families must face the consequences of their ambitions, as each is driven—and haunted—by the same, enduring question: How far away from your father can you run? A sweeping narrative of wealth and poverty, racism and rage, *The Sport of Kings* is an unflinching portrait of lives cast in the shadow of slavery and a moral epic for our time.

Sport Poems Aug 01 2022 This book invites the reader to jump into a selection of poems about sports written by people from different places and times. It gives the reader the keys needed to unlock poems. It equips the reader to explore the meanings that a poem has, and it explains the techniques poets use to create their effects.
