How Golf Clubs Really Work and How to Optimize Their Designs Sep 12 2021 The book entitled How Golf Clubs Really Work and How to Optimize Their Design (\$29.95), is the first book published that focuses on the golf club and the way that golfers can utilize their specific clubs to achieve better shot control, leading to lower scores for all golfers. The book is the end result of a 10-year, full-time dedicated research effort for co-authors Frank D. Werner and Richard C. Grieg. Both have advanced degrees in aerospace engineering and together have over 90 patents. The authors have discussed many issues relevant to the game of golf and analyzed the way that different factors play a part in shot making. Chapters are included on optimal face curvature (bulge and roll may be extinct), shaft length and head weight to maximize distance, and the effects of wind drag on club head speed (less than you would expect). In addition, the authors have developed new aiming and shot control techniques that could allow golfers to have better control, hit more fairways and greens, and lower their scores. The book will provide useful insights for a broad spectrum of golfers from touring pros and teaching professionals to struggling beginners and serious golfers looking to shave a few strokes off their game. By providing an analysis of all that happens from impact until the ball stops, the authors have de-mystified one of the world's greatest games.

Look-Alikes Jr. Jan 04 2021 Welcome to Look-Alike Land, where the more you look, the more you see! Like its predecessor, Look-Alikes Jr. features 3-D picture puzzles, but this time invites even the youngest child to join in the fun by featuring simpler, easier-to-find look-alikes in childlike settings. There are 11 scenes - house, parlor, kitchen, bedroom, school bus, classroom, construction site, movie lobby, train, farm, and rocket - each with 50+ objects to identify (700+ in total). Look for a cement mixer made out of a mustard bottle, kitchen cabinets made out of cakes of soap, and a bed built with crayons and pasta! Fun for all ages. This best-selling book is back with a brand new series design and a striking new cover.

The Same Sky May 20 2022 From the acclaimed author of How to Be Lost and Close Your Eyes comes a beautiful and heartrending novel about motherhood, resilience, and faith—a ripped-from-the-headlines story of two families on both sides of the American border. Alice and her husband, Jake, own a barbecue restaurant in Austin, Texas. Hardworking and popular in their community, they have a loving marriage and thriving business, but Alice still feels that something is missing, lying just beyond reach. Carla is a strong-willed young girl who's had to grow up fast, acting as caretaker to her six-year-old brother

Junior. Years ago, her mother left the family behind in Honduras to make the arduous, illegal journey to Texas. But when Carla's grandmother dies and violence in the city escalates, Carla takes fate into her own hands—and with Junior, she joins the thousands of children making their way across Mexico to America, facing great peril for the chance at a better life. In this elegant novel, the lives of Alice and Carla will intersect in a profound and surprising way. Poignant and arresting, *The Same Sky* is about finding courage through struggle, hope amid heartache, and summoning the strength—no matter what dangers await—to find the place where you belong. Praise for *The Same Sky* "The Same Sky is the timeliest book you will read this year—a wrenching, honest, painstakingly researched novel that puts a human face to the story of undocumented youth desperately seeking their dreams in America. This one's going to haunt me for a long time—and it's going to define the brilliant Amanda Eyre Ward as a leading author of socially conscious fiction."—Jodi Picoult, author of *Leaving Time* "Riveting, heartrending, and beautifully written, *The Same Sky* pulled me in on the first page and held my attention all the way to its perfect conclusion. I devoured this book."—Christina Baker Kline, author of *Orphan Train* "Ward is deeply sympathetic to her characters, and this affecting novel is sure to provoke conversations about immigration and adoption."—*The New York Times Book Review* "A deeply affecting look at the contrast between middle-class U.S. life and the brutal reality of Central American children so desperate they'll risk everything."—*People* "Amanda Eyre Ward's novel of the migrant journey, *The Same Sky*, is the most important book to come out of Austin this year."—*The Austin Chronicle*

*The Swing Factory* Aug 23 2022 *The Swing Factory* shows beginners and enthusiasts alike how to learn to play golf the easy way, without having to go to a golf course or a driving range. It was invented by one of the first and most important teachers of the game, Leslie King. Over a sixty-year career, King taught the perfect swing to tens of thousands of golfers – complete beginners as well as winners of major tournaments – in his Knightsbridge golf school, turning out world-class professionals and national and county champions. Following *The Swing Factory's* four easy stages, readers of any age or sex will dramatically improve their game, lower their handicap and possess the fundamentals of a consistent and successful swing for years to come.

*Golf is a Game of Confidence* Jul 22 2022 From the author of the bestselling *Golf Is Not a Game of Perfect* comes a masterly illumination of golf's mental game. When that book was published, Dr Bob Rotella made accessible for the first time what he had learned from working with the best golfers in the world. Dr Rotella follows up the success of *Golf Is Not a Game of Perfect* with a book filled with anecdotes and motivational instruction focusing on the most important skill a golfer can have: the ability to think confidently. Filled with inspirational stories about the great players, great courses and great tournaments, *Golf Is a Game of Confidence* encourages golfers, no matter what their level, to reach new heights in their games and their lives.

*The Golf Delusion* Feb 17 2022 Each entry is a light-hearted but informative look at the golf swings of the famous – and sometimes not so famous – pupils of the Knightsbridge Golf School, founded by Leslie King, who pioneered a new approach to golf swing tuition in the 1950s. Over the past 60 years, the Knightsbridge Golf School has improved the swings of thousands of amateurs as well as leading golf pros and celebrities from Sean Connery to Christopher Lee, from Juli Inkster to Telly Savalas, from Anton Du Beke to Ant and Dec. Through reading about the travails of unusual golfers (from movie stars to Maharajahs), the amateur golfer can learn how to correct the mistakes made by 9 out of 10 golfers. Packed with instructional photography and stunning course shots throughout, *The Golf Delusion* is a must-have for

golfers of any level.

Touching Earth Aug 19 2019 THE BALINESE TWINS - Beautiful and exotic, they exchange an island paradise for the shabby squalor of London, and innocence for corruption. THE SICILIAN - Ricky Delgado strikes a devil's bargain with a blood goddess: 'Build my temple and bring me the souls of damaged people, and you will see what rewards I give.' THE COURTESAN - Elizabeth makes her living from men's desire. With a flick of the switch in her head, she feels nothing: no pain, no hate, no sorrow, no joy. THE ARTIST - Anis takes to painting as an outlet for his rage. His artist's eye knows his subjects before they know themselves, and he paints them all, a gallery of broken people. Can they escape the deadly web of decadence and sin?

Ancestor's Footsteps Jun 16 2019 This book answers one of biggest unanswered questions asked by visitors to the Somme; where did my ancestor fight? The combination of First World War battle accounts and annotated trench maps throughout this book, explains exactly what happened and where, and indexed orders of battle give the reader a quick reference to locate individual units. But the book goes further than this as carefully chosen viewpoints, which are practical for anyone exploring in a car, have been suggested. They give the visitor different perspectives of the ground where their ancestors fought and died; and in many cases are buried in an unmarked grave. There is useful information on the structure of the British Army and the weapons, equipment and uniforms the men used. Information on the different methods of attacks used, the development of tactics and life in the trenches is also included. As well as this, there is a guide to the key cemeteries, memorials and museums the visitor should consider seeing to complete a visit. This book will help the casual visitor walk in their ancestor's footsteps across the Somme battlefield. It will also guide the regular visitor across different areas of the battlefield, away from the popular points, and help all visitors accomplish the rewarding experience of connecting the battles of the past with the terrain of today.

Gravity Golf Nov 14 2021 PGA & Senior PGA Tour guru David Lee has recently released his fascinating new book GRAVITY GOLF. The product of 17 years of research, this book contains never before revealed truths about swing mechanics which give insights to how our effortless swings occur & how we can experience them more often. The research, based on fundamental physics & efficient motion, has produced the first physics pure analysis of the swing in the history of golf. The book is written in an easy, flowing, &, at times, funny style which makes for easy reading while flooding the reader with original, logical information about the swing & how humans learn to swing. The experience of soaking in this book leads the reader to the conclusion that they've finally found "THE SECRET." Truly the most enlightening information in years, & free of any teaching aids required by so many of the current swing training methods, Lee's concepts were originally endorsed by Jack Nicklaus in 1977, & have gained acclaim from others such as Chi Chi Rodriguez, Rocky Thompson, numerous members of the medical & scientific community & countless amateurs at all levels. DAVID LEE HAS BEEN FEATURED IN GOLF MAGAZINE & GOLF DIGEST, WITH THE LATTER LISTING HIM AS ONE OF THE TOP TEACHERS IN THE COUNTRY REPEATEDLY. Stacking the Deck Apr 07 2021 Change is a constant, and leaders must do more than keep up—they must innovate and accelerate to succeed. Yet people are often unnerved by change. As a leader during a time of transformation, you may stand up before teams that are indifferent, or even hostile, and need to convince them that change is necessary and urgent. More than money, time, or resources, the ability to lead these people determines your ultimate success or failure. What does it take to be an effective change leader and increase the odds of success? Stacking the Deck offers a proven, practical approach for inspiring meaningful, lasting change across an organization. Stacking the Deck presents a nine-step course of action leaders can follow from the first realization that change is needed through all the steps of implementation, including assembling the right team of close advisors and getting the word out to the wider group. Based on Dave Pottruck's experiences leading change as CEO of Charles Schwab and later as chairman of CorpU and HighTower Advisors, these steps provide a guide to ensure that your change initiative and your team have the best possible shot at success. In addition, established business leaders who have led extraordinary change initiatives demonstrate the steps in action. These executives include eBay CEO John Donahoe, Wells Fargo former CEO Dick Kovacevich, Starbucks chief executive officer Howard Schultz, San Francisco Giants CEO Larry Baer, JetBlue CEO Dave Barger, Asurion CEO Steve Ellis, Pinkberry CEO Ron Graves, and Intel's President Renee James, among others. Leading an organization through major change—whether it's the introduction of a new product, an expansion to a new territory, or a difficult downsizing—is not for the faint of heart. While success is never guaranteed, the right leadership, process, and team make all the difference. For all leaders facing major change in their organizations, Stacking the Deck is an indispensable resource for putting the odds in your favor.

Death Waits in the Dark Oct 21 2019 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

When She Makes More Dec 15 2021 As seen on CNBC's *Follow the Leader* "Farnoosh's ground-breaking book will save more relationships than couples counseling ever could." -Barbara Stanny, author of *Secrets of Six-Figure Women Today*, a record number of women are their household's top-earner. But if you're that woman, you face a much higher risk of burnout, infidelity, and divorce. In this important and timely book, personal finance expert Farnoosh Torabi candidly addresses how income imbalances affect relationships and family dynamics, and presents a bold strategy to achieving happiness at work and home. Torabi's ten essential rules include: • Buy Yourself a Wife: Outsource as many household tasks as possible to bring more peace and happiness to both your lives • Don't Assume a Mr. Mom is Best: The math might say he should quit his job, but doing so can be dangerous. • Understand the Male Brain: Know how men think and what motivates their behavior to communicate effectively, share responsibilities, and avoid power struggles in your relationship.
