France in the World Mar 19 2022 This dynamic collection presents a new way of writing national and global histories while developing our understanding of France in the world through short, provocative essays that range from prehistoric frescoes to Coco Chanel to the terrorist attacks of 2015. Bringing together an impressive group of established and up-and-coming historians, this bestselling history conceives of France not as a fixed, rooted entity, but instead as a place and an idea in flux, moving beyond all borders and frontiers, shaped by exchanges and mixtures. Presented in chronological order from 34,000 BC to 2015, each chapter covers a significant year from its own particular angle—the marriage of a Viking leader to a Carolingian princess proposed by Charles the Fat in 882, the Persian embassy's reception at the court of Louis XIV in 1715, the Chilean coup d'état against President Salvador Allende in 1973 that mobilized a generation of French left-wing activists. France in the World combines the intellectual rigor of an academic work with the liveliness and readability of popular history. With a brand-new preface aimed at an international audience, this English-language edition will be an essential resource for Francophiles and scholars alike.

The Search Warrant Jun 29 2020 WINNER OF THE NOBEL PRIZE IN LITERATURE, 2014 Haunted by the fate of Dora Bruder — a fifteen-year-old girl listed as missing in an old December 1941 issue of Paris Soir — Nobel Prize-winning author Patrick Modiano sets out to find all he can about her. From her name on a list of deportees to Auschwitz to the fragments he is able to uncover about the Bruder family, Modiano delivers a moving survey of a decade-long investigation that revived for him the sights, sounds and sorrowful rhythms of occupied Paris. And in seeking to exhume Dora Bruder's fate, he in turn faces his own family history. Translated by Joanna Kilmartin ' Absolutely magnificent ' Le Monde

The Great Indian Novel Nov 03 2020 In this award-winning novel, Tharoor has masterfully recast the two-thousand-year-old epic, The Mahabharata, with fictional but highly recognizable events and characters from twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent, witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic The Mahabharata. Alternately outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence.

Reimagining India Feb 18 2022 Reimagining India brings together leading thinkers from around the world to explore the challenges and opportunities faced by one of the most important and least understood nations on earth. India ' s abundance of life—vibrant, chaotic, and tumultuous—has long been its foremost asset. The nation ' s rising economy and burgeoning middle class have earned India a place alongside China as one of the world ' s two indispensable emerging markets. At the same time, India ' s tech-savvy entrepreneurs and rapidly globalizing firms are upending key sectors of the world economy. But what is India ' s true potential? And what can be done to unlock it? McKinsey & Company has pulled in wisdom from many corners—social and cultural as well as economic and political—to launch a feisty debate about the future of Asia ' s " other superpower. " Reimagining India features an all-star cast of contributors, including CNN ' s Fareed Zakaria; Mukesh Ambani, CEO of India ' s largest private conglomerate; Microsoft founder Bill Gates; Google chairman Eric Schmidt; Harvard Business School dean Nitin Nohria; award-winning authors Suketu Mehta (Maximum City), Edward Luce (In Spite of the Gods), and Patrick French (India: A Portrait); Nandan Nilekani, Infosys cofounder and chairman of the Unique Identification Authority of India; and a host of other leading executives, entrepreneurs, economists, foreign policy experts, journalists, historians, and cultural luminaries. These essays explore topics like the strengths and weaknesses of India ' s political system, growth prospects for India ' s economy, the competitiveness of Indian firms, India ' s rising international profile, and the rapid evolution of India ' s culture. Over the next decade India has the opportunity to show the rest of the developing world how open, democratic societies can achieve high growth and shared prosperity. Contributors offer creative strategies for seizing that opportunity. But they also offer a frank assessment of the risks that India ' s social and political fractures will instead thwart progress, condemning hundreds of millions of people to enduring poverty. Reimagining India is a critical resource for readers seeking to understand how this vast and vital nation is changing—and how it promises to change the world around us.

The World Is What It Is Jan 05 2021 Beginning with a richly detailed portrait of Naipaul's childhood in Trinidad, Patrick French gives us the boy born to an Indian family who possesses an extraordinary gift for writing and a forceful, visionary impulse. Fiercely ambitious, Naipaul wins a scholarship to Oxford at age seventeen. London in the 1950s wins him his first literary success, but homesickness almost defeats him. He copes with the aid of Patricia Hale, his first wife, an Englishwoman who will stand by him for four decades, even as he embarks on a twenty-four-year love affair that will feed his dizzying creativity. Researched with the full cooperation of its Nobel Prize—winning subject and informed by exclusive access to the subject's private papers and personal recollections, French's revelatory biography does full justice to an enigmatic genius.

Suspended Sentences Jul 11 2021 In this essential trilogy of novellas by the winner of the 2014 Nobel Prize in Literature, French author Patrick Modiano reaches back in time, opening the corridors of memory and exploring the mysteries to be encountered there. Each novella in the volume—Afterimage, Suspended Sentences, and Flowers of Ruin—represents a sterling example of the author ' s originality and appeal, while Mark Polizzotti ' s superb English-language translations capture not only Modiano ' s distinctive narrative voice but also the matchless grace and spare beauty of his prose. Although originally published separately, Modiano ' s three novellas form a single, compelling whole, haunted by the same gauzy sense of place and characters. Modiano draws on his own experiences, blended with the real or invented stories of others, to present a dreamlike autobiography that is also the biography of a place. Orphaned children, mysterious parents, forgotten friends, enigmatic strangers—each appears in this three-part love song to a Paris that no longer exists. Shadowed by the dark period of the Nazi Occupation, these novellas reveal Modiano ' s fascination with the lost, obscure, or mysterious; a young person ' s confusion over adult behavior; the repercussions of a chance encounter; the search for a missing father; the aftermath of a fatal affair. To read Modiano ' s trilogy is to enter his world of uncertainties and the almost accidental way in which people find their fates.

Diamondhead Aug 12 2021 In order to save a life, he must take one... When Navy SEAL Mack Bedford ' s fellow officers are brutally killed by Iraqi insurgents using a new, anti-tank Diamondhead missile, Mack recklessly avenges their deaths by gunning down the attackers, resulting in his expulsion from the Navy. He learns that the Diamondheads were sold illegally by infamous French politician Henri Foché. Mack suspects that Foché will triumph in his campaign to become the next French president and fears that his election will promote the spread of international terrorism. In addition, Mack has a gravely ill son whose life can only be saved by an expensive and experimental medical procedure. So when Mack is asked to help assassinate Foché, his hand is forced... His reward: a chance at survival, not just for his son, but for his country. But before Mack can reach his target, a jilted mercenary group warns the Frenchman of the threat, greatly increasing the difficulty of Mack ' s solo assassination attempt. Can he succeed — and survive? A non-stop action thrill ride, Diamondhead is perfect for fans of Vince Flynn, Andy McNab and Frederick Forsyth.

India Dec 28 2022 One of this century's greatest surprises has been the economic and social revolution in India. A century long characterized by such adjectives as 'timeless', 'spiritual' and 'backward' is now viewed through a new set of clichés: 'hi-tech', 'materialistic', 'go-getting'. But what is the real nature of this rapid change, and what are its roots? Patrick French has spent much of his life engaged with India, and his landmark new book is filled with the qualities that have won his writing exceptional praise: his love of narrative, sympathy for the individual's experience, scepticism about official claims, and relish for the mayhem of political life. His account of Indian independence, Liberty or Death, is an acclaimed bestseller. Now he gives us an encompassing social, political and economic history of India from partition to the present day. Examining the cultural foundations that made India's accelerated transformation from socialist economy to capitalist powerhouse possible, French creates a vivid, surprising picture of what it is like to live at a time when millions have pulled themselves free of poverty - with fortunes made almost overnight - but where violence, corruption and caste prejudice have equally been given new outlets. He delves into Indian society and politics, including the personal story of one of the most powerful women in the world, Sonia Gandhi. And he travels the country's regions to show how Nehru's vision of a democratic, secular India has continued to attempt - in the face of conflict and setbacks - to hold this vast, implacably diverse nation together. French has spoken to everyone from the nation's political leadership to Maoist revolutionaries and mafia dons, from chained quarry workers to self-made billionaire entrepreneurs and technological innovators. The result is a richly detailed, wide-ranging and hugely rewarding portrait of India.

Reading with Patrick Mar 07 2021 " In all of the literature addressing education, race, poverty, and criminal justice, there has been nothing quite like Reading with Patrick. " —The Atlantic A memoir of the life-changing friendship between an idealistic young teacher and her gifted student, jailed for murder in the Mississippi Delta FINALIST FOR THE DAYTON LITERARY PEACE PRIZE Recently graduated from Harvard University, Michelle Kuo arrived in the rural town of Helena, Arkansas, as a Teach for America volunteer, bursting with optimism and drive. But she soon encountered the jarring realities of life in one of the poorest counties in America, still disabled by the legacy of slavery and Jim Crow. In this stirring memoir, Kuo, the child of Taiwanese immigrants, shares the story of her complicated but rewarding mentorship of one student, Patrick Browning, and his remarkable literary and personal awakening. Convinced she can make a difference in the lives of her teenaged students, Michelle Kuo puts her heart into her work, using quiet reading time and guided writing to foster a sense of self in students left behind by a broken school system. Though Michelle loses some students to truancy and even gun violence, she is inspired by some such as Patrick. Fifteen and in the eighth grade, Patrick begins to thrive under Michelle ' s exacting attention. However, after two years of teaching, Michelle feels pressure from her parents and the draw of opportunities outside the Delta and leaves Arkansas to attend law school. Then, on the eve of her law-school graduation, Michelle learns that Patrick has been jailed for murder. Feeling that she left the Delta prematurely and determined to fix her mistake, Michelle returns to Helena and resumes Patrick ' s education—even as she sits in a jail cell awaiting trial. Every day for the next seven months they pore over classic novels, poems, and works of history. Little by little, Patrick grows into a confident, expressive writer and a dedicated reader galvanized by the works of Frederick Douglass, James Baldwin, Walt Whitman, W. S. Merwin, and others. In her time reading with Patrick, Michelle is herself transformed, contending with the legacy of racism and the questions of what constitutes a " good " life and what the privileged owe to those with bleaker prospects. " A powerful meditation on how one person can affect the life of another . . . One of the great strengths of Reading with Patrick is its portrayal of the risk inherent to teaching. " —The Seattle Times " [A] tender memoir. " —O: The Oprah Magazine

Gandhi Before India Apr 20 2022 The first volume of the definitive biography of Gandhi, one of the most remarkable figures of the 20th century, from the great historian Ramachandra Guha The life of Mohandas Gandhi is one of the most remarkable and potent in the modern era. In this fascinating new biography Ramachandra Guha allows us to understand the personality and politics of Mohandas Gandhi as never before. Showing that Gandhi's ideas were fundamentally shaped before his return to India in 1915, Gandhi Before India is the extraordinarily vivid portrait of the formative years he spent in England and South Africa, where he developed the techniques that would undermine and ultimately destroy the British Empire. Ramachandra Guha depicts a world of sharp contrasts between the coastal culture of Gujarat, High Victorian London and colonial South Africa, where settlers from India, Britain and elsewhere battled for their share of this rich and newly despoiled land. Drawing on many new sources located in archives across four continents, Guha sensitively explores the many facets of Gandhi's life and struggles. This is the biography of the year. Reviews: 'Excellent and exhaustive ... Guha has done heroic work in reconstructing this period of Gandhi's life ... Gandhi emerges here as a fascinatingly complicated and contradictory figure ... if the sequel proves as rich and absorbing as this first book, it will doubtless serve as the fundamental portrait of Gandhi for many years to come' Sunday Business Post 'What can a new biographer add? Gandhi Before India by Ramachandra Guha, India's leading historian, offers plenty ... Rather than lingering on Gandhi's own well-studied works, Mr Guha has unearthed a wealth of previously overlooked school reports, diaries, letters and articles by collaborators and opponents of Gandhi. The result is a striking depiction of his transformation into mid-adulthood ... As Mr Guha ably shows, for all that Gandhi influenced events in South Africa, it was he who experienced the greater change' Economist 'One of the surprises in Gandhi Before India is just how much fresh material it contains. Guha has a gift for tracking down obscure letters and newspaper reports and patching them together to make history come alive ... The book turns up some gems ... Gandhi Before India demonstrates how complicated cross-cultural relations were in the long 19th century ... it is a work of vivid social history as well as biography' Patrick French, Guardian 'Guha is India's best-known historian, who marshals his wide scholarship in contemporary and modern history with a raconteur's lucid facility' DNA Mumbai 'A spirited case for Gandhi's continued relevance, for the challenges his ideas still present to us' Tehelka, New Delhi 'Guha is one of India's most intelligent and readable historians; and in addition to his considerable talents, he has had the good fortune to discover a treasure trove of Gandhi's own voluminous press cuttings and also many shelf-loads of letters to him from friends and colleagues' Standpoint About the author: Ramachandra Guha is one of India's most influential historians and public intellectuals. His books include A Corner of a Foreign Field and India After Gandhi: The History of the World's Largest Democracy. The Independent has called him 'one of the world's great minds'; Time has said he is 'Indian democracy's pre-eminent chronicler'. He has held visiting professorships at Stanford, Yale, and the London School of Economics. He lives in Bangalore.

The World Is What It Is Sep 25 2022 This is the first major biography of V.S. Naipaul, Nobel Prize winner and one of the most compelling literary figures of the last fifty years. With great feeling for his formidable body of work, and exclusive access to his private papers and personal recollections, Patrick French has produced a lucid and astonishing account of this enigmatic genius: one which looks sensitively and unflinchingly at his relationships, his development as a writer and as a man, his outspokenness, his peerless creativity, and his extraordinary and enduring position both outside and at the very centre of literary culture. ' Its clarity, honesty, even-handedness, its panoramic range and close emotional focus, above all its virtually unprecedented access to the dark secret life at its heart, make it one of the most gripping biographies I ' ve ever read ' Hilary Spurling, Observer ' A brilliant biography; exemplary in its thoroughness, sympathetic but tough in tone . . . Reading it I was enthralled – and frequently amused (how incredibly funny Naipaul can be!) ' Spectator ' A mastery performance . . . If a better biography is published this year, I shall be astonished ' Allan Massie, Literary Review ' Remarkable. This biography will change the way we read Naipaul ' s books ' Craig Brown, Book of the Week, Mail on Sunday

Interweaving these encounters with little-known stories of war and turmoil from Tibet's past, he reveals a more nuanced, fascinating and surprising picture of this complex place than any other book has done.

Patrick Leigh Fermor Dec 16 2021 This book revisits the trajectory of one section of Patrick Leigh Fermor's famous excursion on foot from the Hook of Holland to Constantinople in the 1930s. The highly regarded British travel writer and heroic wartime Special Operations Executive officer walked into Hungary as a youth of 19 at Easter and left Transylvania in August 1934. This intrepid traveler, "a cross between Indiana Jones, James Bond and Graham Greene" as the New York Times obituary put it in 2011, published his experiences half a century later. Between the Woods and the Water, that covers the part of the epic foot journey from the middle Danube to the Iron Gates, has been a bestseller since it was first published in 1986. In the present volume Michael O'Sullivan reveals the identity of the interesting characters in the travelogue, interviewing several of them eyetoe. The many counts and barons among his 1934 contacts are a proof of Leigh Fermor's lifelong attraction to the aristocracy. Rich with photos and other documents on places and persons both from the thirties and today, the book offers a compelling social and political history of the period and the area. It provides a particular portrait of Hungary and Transylvania when they were on the brink of momentous change.

Liberty or Death Jul 23 2022 At midnight on 14 August 1947, Britain's 350-year-old Indian Empire was broken into three pieces. The greatest mass migration in history began, as Muslims fled north and Hindus fled south, and Britain's role as an imperial power came to an end. Patrick French's vivid and surprising account of the chaotic final years of colonial rule in India has been acclaimed as the definitive book on this subject. Journeying across India, Bangladesh and Pakistan, he brings to life a cast of characters including spies, idealists, freedom fighters and politicians from Churchill to Gandhi.

The Occupation Trilogy Feb 24 2020 'Brisk, smart, witty, elliptical ... Recalls the directors of the New Wave ... Bracing and brilliant' Independent When Patrick Modiano was awarded the 2014 Nobel Prize for Literature he was praised for using the 'art of memory' to bring to life the Occupation of Paris during the Second World War. Born in 1945, Modiano's brilliant, angry writings burst onto the Parisian literary scene and caused a storm. His first, ferociously satirical novel, *La Place de l'Étoile*, was remarkable in seriously questioning both Nazi collaboration in France and the myths of the Gaullist era. *The Night Watch* tells the story of a man caught between his work for the French Gestapo and for a Resistance cell. *Ring Roads* recounts a son's search for his Jewish father, who disappeared ten years previously. These brilliant, almost hallucinatory, evocations of the Occupation attempt to exorcise the past by exploring the morally ambiguous worlds of collaboration and resistance.

Fatale Oct 14 2021 A New York Review Books Original Whether you call her a coldhearted grifter or the soul of modern capitalism, there's no question that Aimée is a killer and a more than professional one. Now she's set her eyes on a backwater burg—where, while posing as an innocent (albeit drop-dead gorgeous) newcomer to town, she means to sniff out old grudges and engineer new opportunities, deftly playing different people and different interests against each other the better, as always, to make a killing. But then something snaps: the master manipulator falls prey to a pure and wayward passion. Aimée has become the avenging angel of her own nihilism, exacting the destruction of a whole society of destroyers. An unholy original, Jean-Patrick Manchette transformed the modern detective novel into a weapon of gleeful satire and anarchic fun. In *Fatale* he mixes equal measures of farce, mayhem, and madness to prepare a rare literary cocktail that packs a devastating punch.

Army of the Night Jun 10 2021 Who was the enigmatic Jean Moulin, a man as skilled in deception as he was in acts of heroism? The memory of this French Resistance hero, who was betrayed to the Gestapo and tortured by Klaus Barbie, the infamous 'Butcher of Lyon', is revered alongside that of other national icons. But Moulin's story is full of unanswered questions and the truth of his life is far more complicated than the legend. Patrick Marohn, winner of the Marsh Prize for biography, thrillingly tells the epic story of France's greatest war hero, bringing to light the shadowy and often deceitful world of the French Resistance, and offers a shocking conclusion to one of the great unsolved mysteries of World War II.

Resistance and Betrayal May 29 2020 'Enthralling and intelligent, a masterly exploration of the sinister labyrinth that was wartime France. ... It is a remarkable book, utterly fascinating.' —Allan Massie Not long after 2:00 p.m. on June 21, 1943, eight men met in secret at a doctor's house in Lyon. They represented the warring factions of the French Resistance and had been summoned by General de Gaulle's new envoy, a man most of them knew simply as "Max." Minutes after the last man entered the house, the Gestapo broke in, led by Klaus Barbie, the infamous "Butcher of Lyon." The fate awaiting Barbie's prisoners was torture, deportation, and death. "Max" was tortured sadistically but never broke; he took his many secrets to his grave. In that moment, the legend of Jean Moulin was born. Who was this enigmatic hero, a man as skilled in deception as he was in acts of heroism? After the war, his ashes were transferred to the Panthéon—France's highest honor—where his memory is revered alongside that of Voltaire and Victor Hugo. But Moulin's story is full of unanswered questions: the truth of his life is far more complicated than the legend conveniently manufactured by de Gaulle. Resistance and Betrayal tells for the first time in English the epic story of France's greatest war hero, a Schindler-like character of ambiguous motivation. A winner of the Marsh Prize for biography, praised by Graham Greene and Julian Barnes, Patrick Marohn is a brilliant storyteller with a keen appreciation for the complex maze of moral compromises navigated in times of war. Told with the drama and suspense of the best espionage fiction, Resistance and Betrayal brings to life the dark and duplicitous world of the French Resistance and offers a startling conclusion to one of the great unsolved mysteries of the Second World War. NOTE: This edition does not include photographs.

Free Woman Jul 31 2020 A genre-defying memoir in which Lara Feigel experiments with sexual, intellectual and political freedom while reading and pursuing Doris Lessing How might we live more freely, and will we be happier or lonelier if we do? Re-reading *The Golden Notebook* in her thirties, shortly after Doris Lessing's death, Lara Feigel discovered that Lessing spoke directly to her as a woman, a writer, and a mother in a way that no other novelist had done. At a time when she was dissatisfied with the conventions of her own life, Feigel was enticed by Lessing's vision of freedom. *Free Woman* is essential reading for anyone whose life has been changed by books or has questioned the structures by which they live. Feigel tells Lessing's own story, veering between admiration and fury at the choices Lessing made. At the same time, she scrutinises motherhood, marriage and sexual relationships with an unusually acute gaze. And in the process she conducts a dazzling investigation into the joys and costs of sexual, psychological, intellectual and political freedom. This is a genre-defying book: at once a meditation on life and literature and a daring act of self-exposure.

The Dawn Watch Sep 13 2021 'Enlightening, compassionate, superb' —John Le Carré Winner of the 2018 Cundhill History Prize A New York Times Book Review Notable Book of 2017 One of the New York Times 100 Notable Books of 2017 A visionary exploration of the life and times of Joseph Conrad, his turbulent age of globalization and our own, from one of the most exciting young historians writing today Migration, terrorism, the tensions between global capitalism and nationalism, and a communications revolution: these forces shaped Joseph Conrad's destiny at the dawn of the twentieth century. In this brilliant new interpretation of one of the great voices in modern literature, Maya Jasanoff reveals Conrad as a prophet of globalization. As an immigrant from Poland to England, and in travels from Malaya to Congo to the Caribbean, Conrad navigated an interconnected world, and captured it in a literary oeuvre of extraordinary depth. His life story delivers a history of globalization from the inside out, and reflects powerfully on the aspirations and challenges of the modern world. Joseph Conrad was born Józef Teodor Konrad Korzeniowski in 1857, to Polish parents in the Russian Empire. At sixteen he left the landlocked heart of Europe to become a sailor, and for the next twenty years travelled the world's oceans before settling permanently in England as an author. He saw the surging, competitive 'new imperialism' that planted a flag in almost every populated part of the globe. He got a close look, too, at the places 'beyond the end of telegraph cables and mail-boat lines,' and the hypocrisy of the west's most cherished ideals. In a compelling blend of history, biography, and travelogue, Maya Jasanoff follows Conrad's routes and the stories of his four greatest works—*The Secret Agent*, *Lord Jim*, *Heart of Darkness*, and *Nostromo*. Genre-bending, intellectually thrilling, and deeply humane, *The Dawn Watch* embarks on a spell-binding expedition into the dark heart of Conrad's world—and through it to our own.

Thunder from the East Nov 22 2019 An insightful and comprehensive look at Asia on the rise—a "masterful job of describing Asia's anguish and ambition" (The Washington Post Book World)—from the Pulitzer Prize-winning journalists and bestselling authors of *Half a Sky* and *Tightrope* The 1997 economic crisis in Asia heaped devastation upon millions. Yet Nicholas Kristof and Sheryl WuDunn argue that it was the best thing that could have happened to Asia. It destroyed the cronyism, protectionism, and government regulation that had been crippling Asian business for decades, and it left in its wake a vast region of resilient and determined millions poised to wrest economic, diplomatic and military power from the West. Thunder from the East is a riveting look at a complex region, a fascinating panoply of compelling characters, and a prophetic analysis from arguably the West's most informed and intelligent writers on Asia.

He tries to remember what brought him into contact with a gang that frequented the hotel *Unic* in the area. His quest through seedy cafes and cheap hotels becomes an enquiry into a woman, Dannie, whom Jean loved and who once tried to admit to a terrible crime. Over the course of several voyages between past and present, we meet various shady characters, and discover that Dannie may have killed "someone". As his memories overlap with the discovery of an old vice squad dossier, Jean reinvestigates the closed case of a crime where he could well be the last remaining witness. Ladivine Dec 24 2019 Longlisted for the Man Booker International Prize 2016 Clarisse Rivière's life is shaped by a refusal to admit to her husband Richard and to her daughter Ladivine that her mother is a poor black housekeeper. Instead, weighed down by guilt, she pretends to be an orphan, visiting her mother in secret and telling no-one of her real identity as Malinka, daughter of Ladivine Sylla. In time, her lies turn against her. Richard leaves Clarisse, frustrated by the unbridgeable, imperceptible gulf between them. Clarisse is devastated, but finds solace in a new man, Freddy Molinger, who is let into the secret about her mother, and is even introduced to her. But Ladivine, her daughter, who is now married herself, cannot shake a bad feeling about her mother's new lover, convinced that he can bring only chaos and pain into her life. When she is proved right, in the most tragic circumstances, the only comfort the family can turn to requires a leap of faith beyond any they could have imagined. Centred around three generations of women, whose seemingly cursed lineage is defined by the weight of origins, the pain of alienation and the legacy of shame, Ladivine is a beguiling story of secrets, lies, guilt and forgiveness by one of Europe's most unique literary voices. Translated from the French by Jordan Stump

So You Don't Get Lost in the Neighbourhood Dec 04 2020 Jean Daragane, writer and recluse, has purposely built a life of seclusion away from the Parisian bustle. He doesn't see many people, he rarely goes out: he spends his life in a solitary world of his own making. His peace is shattered however, one hot September afternoon, by a threatening phone call from a complete stranger, who claims to have found Daragane's old phone book and wants to question him about a particular name it contains. But when Daragane agrees to meet the mysterious Gilles Ottolini, he realises that - try as he might - he cannot place the name "Guy Torstel" at all. Yet Ottolini is desperate for any information on this man... Finding himself suddenly entangled in the lives of Ottolini and his beautiful, but fragile young associate, Daragane is drawn into the mystery of a decades-old murder that will drag him out of his lonely apartment and force him to confront the memory of a long-suppressed personal trauma. Imbued with nostalgia, subtlety, and its own unique poetry, this darkly mysterious novel weaves a spell that provokes as much as it entrances.

Flaws In The Glass May 21 2022 The appearance of this self-portrait by Patrick White is a literary event for which his readers and admirers have long hoped. He explains how on the very rare occasions when he re-reads a passage from one of his books, he recognizes very little of the self he knows. This 'unknown' is the man who interviews and visiting students expect to find, but 'unable to produce him', he prefers to remain private - or as private as anyone who has been awarded the Nobel Prize for Literature can ever be. But in this book is the self Patrick White does recognize, the one he sees reflected in the glass. It is a remarkable book. In a shifting sequence we learn of youth in Australia; the 'expensive prison', his English boarding school; Cambridge with holiday trips to Germany; London in the Blitz; RAF wartime intelligence and compensations of life in Australia. There are journeys to cities and landscapes round the world which take on more reality than places one has actually visited. He tells us whom he has loved and hated and of his opinions - political and literary. He introduces us to a host of characters from Australian cousins to Stravinsky and Queen Elizabeth - and of course to Manly Lorisai, who in 1942 'became the central mandala in my life's hitherto messy design.' He describes what he sees in the glass's reflection with such power that it seems no artist can have attempted or executed a self-portrait so lifelike before.

Younghusband Oct 26 2022 Soldier, explorer, mystic, guru and spy, Francis Younghusband began his colonial career as a military adventurer and became a radical visionary who preached free love to his followers. Patrick French's award-winning biography traces the unpredictable life of the maverick with the 'damned run name', who singlehandedly led the 1904 British invasion of Tibet, discovered a new route from China to India, organized the first expeditions up Mount Everest and attempted to start a new world religion. Following in Younghusband's footsteps, from Calcutta to the snows of the Himalayas, French pieces together the story of a man who embodies all the romance and folly of Britain's lost imperial dream.

The Night Watch Jan 17 2022 When Patrick Modiano was awarded the 2014 Nobel Prize for Literature he was praised for using the 'art of memory' to bring to life the Occupation of Paris during the Second World War. *The Night Watch* is his second novel and tells the story of a young man of limited means, caught between his work for the French Gestapo informing on the Resistance, and his work for a Resistance cell informing on the police and the black market dealers whose seedy milieu of nightclubs, prostitutes and spies he shares. Under pressure from both sides to inform and bring things to a crisis, he finds himself driven towards an act of self-sacrifice as the only way to escape an impossible situation and the question that haunts him - how to be a traitor without being a traitor. In this astonishing, cruel and tender book, Modiano attempts to exorcise the past by leading his characters out on a fantasmagoric patrol during one fatal night of the Occupation.

French Braid Mar 27 2020 NEW YORK TIMES BEST SELLER • From the beloved Pulitzer Prize-winning author—a funny, joyful, brilliantly perceptive journey deep into one Baltimore family 's foibles, from a boyfriend with a red Chevy in the 1950s up to a longed-for reunion with a grandchild in our pandemic present. " A moving meditation on the passage of time...a quietly subversive novel, tackling fundamental assumptions about womanhood, motherhood and female aging. " —Jennifer Haigh, New York Times Book Review The Garretts take their first and last family vacation in the summer of 1959. They hardly ever leave home, but in some ways they have never been farther apart. Mercy has trouble resisting the siren call of her aspirations to be a painter, which means less time keeping house for her husband, Robin. Their teenage daughters, steady Alice and boy-crazy Lily, could not have less in common. Their youngest, David, is already intent on escaping his family's orbit, for reasons none of them understand. Yet, as these lives advance across decades, the Garretts' influences on one another ripple ineffably but unmistakably through each generation. Full of heartbreak and hilarity, French Braid is classic Anne Tyler: a stirring, uncannily insightful novel of tremendous warmth and humor that illuminates the kindnesses and cruelties of our daily lives, the impossibility of breaking free from those who love us, and how close—yet how unknowable—every family is to itself.

India Nov 27 2022 A monumental biography of the Indian subcontinent from the award-winning author of The World Is What It Is: The Authorized Biography of V. S. Naipaul. In this dazzlingly panoramic book, Patrick French chronicles that epic change, telling human stories to explain a larger national narrative. With a familiarity and insight few Westerners could approach, he provides a vital corrective to the many outdated notions about a uniquely dynamic and consequential nation.
