500 Office English Phrases Apr 22 2022 English phrases are an essential part of the English language. As a matter of fact, one key difference between native English speakers and non-native English speakers is native English speakers tend to use all kinds of phrases. If you want to make sure your English sounds more native, if you want your English to be more interesting and dramatic, you have come to the right place. A lot of English learners will find their language plateaued after a few years of hard work. They can speak the language, in a general sense. They have no problem understanding others. However, their speaking is still not fluent enough, not accurate enough, not native enough, not interesting enough. Their English is adequate for basic communications, but still not good enough. They are not able to engage in interesting and deep conversations with native speakers. If you are in such situations, you have also come to the right place. Mastering English phrases will help you break through the plateau. Mastering English phrases will help you really master the language. Examples: go down the drain: be totally wasted. Example 1: The government must stop public money from going down the drain. Example 2: Due to this stupid mistake, all my three months of hard work went down the drain. down cold: mastered perfectly. Example 1: I've got this down cold. Example 2: I have this presentation down cold. pull one's weight: do one's fair share of work that a group of people is doing together. Example 1: Since the project is under water right now, do you mind pulling some extra weight? Example 2: I am warning you. If you don't start pulling your weight, you'll lose your job. tee up: make detailed arrangements or preparations. Example 1: We need to tee up the ideas with the engineers today because tomorrow will be too late. Example 2: Let me tee this up with the manager for our next week's meeting. fall through the cracks: negligent due to other important things. Example 1: The issue has not been followed up. It must have fallen through the cracks. Example 2: It has been a hectic quarter for us. Some of the less urgent problems have fallen through the cracks

*Words and Rules* Feb 26 2020 "If you are not already a Steven Pinker addict, this book will make you one." -- Jared Diamond In *Words and Rules*, Steven Pinker explores profound mysteries of language by picking a deceptively simple phenomenon -- regular and irregular verbs -- and examining it from every angle. With humor and verve, he covers an astonishing array of topics in the sciences and humanities, from the history of languages to how to simulate languages on computers to major ideas in the history of Western philosophy. Through it all, Pinker presents a single, powerful idea: that language comprises a mental dictionary of memorized words and a mental

grammar of creative rules. The idea extends beyond language and offers insight into the very nature of the human mind. This is a sparkling, eye-opening, and utterly original book by one of the world's leading cognitive scientists.

**German Phrase Book for Beginners** May 31 2020 Have you ever had that deep desire to learn another language? Have you ever wanted to travel the globe, see amazing sights, and experience a new country like a local? Then keep reading - Germany is an amazing place!

*Natural Language Processing with Python* Nov 24 2019 This book offers a highly accessible introduction to natural language processing, the field that supports a variety of language technologies, from predictive text and email filtering to automatic summarization and translation. With it, you'll learn how to write Python programs that work with large collections of unstructured text. You'll access richly annotated datasets using a comprehensive range of linguistic data structures, and you'll understand the main algorithms for analyzing the content and structure of written communication. Packed with examples and exercises, *Natural Language Processing with Python* will help you: Extract information from unstructured text, either to guess the topic or identify "named entities" Analyze linguistic structure in text, including parsing and semantic analysis Access popular linguistic databases, including WordNet and treebanks Integrate techniques drawn from fields as diverse as linguistics and artificial intelligence This book will help you gain practical skills in natural language processing using the Python programming language and the Natural Language Toolkit (NLTK) open source library. If you're interested in developing web applications, analyzing multilingual news sources, or documenting endangered languages -- or if you're simply curious to have a programmer's perspective on how human language works -- you'll find *Natural Language Processing with Python* both fascinating and immensely useful.

**Listen & Learn Italian** Oct 28 2022 This language-learning system offers the chance to quickly and efficiently develop the practical Italian needed for travel. 2 CDs with 90 minutes of material feature phrases and sentences spoken first in English and then in Italian, followed by a pause for repetition. The accompanying 80-page manual contains each word and phrase on the CDs.

*French Phrases* Oct 16 2021 FRENCH PHRASES Vol.3: English & French This Edition: French Phrases seeks to bridge the gap between knowing individual words and knowing how to create or understand sentences. Sentences are phrases or a combination of phrases, and phrases are a combination of words. The simplest phrases are the simplest ways of combining words. Exposure to a wide variety of phrases, especially in increasing complexity, provides the basis for obtaining a solid grasp of a new language. The reason being, phrases can be combined with other phrases to create endless possibilities in language. French Phrases contains a wide variety of phrases, but it also demonstrates how phrases can increase in complexity - through the inclusion of individual words or other phrases. The book can be read in parallel text format (side by side), but can also be read only in English, or only in French. The text can be used to obtain a fundamental grasp of French grammar. An understanding of the rules that underpin the way words combine into phrases, or phrases combine into sentences, allows the language learner to expand their capacity exponentially simply by increasing vocabulary. With this in mind, the text includes an introductory section summarising the important aspects of French grammar. The dual-language text has been arranged for quick and easy cross-referencing. The text can be used on its own. However, the content is ideal for reinforcing and expanding on a basic grasp of the language. With an increasingly robust grasp of the language, the language learner can easily and fruitfully move on to more advanced bilingual text - like in 2Language Books editions -, or suitable French only text: a simple novel, a French news website, etc. Many basic language books offer some form of audio support. Internet services - primarily news based radio stations - offer podcasts. Audio from television is an additional resource, and can be formatted for use on various digital platforms. However, if audio is an important component of your interest in languages, electronic devices that support quality text-to-speech (TTS) will likely be appealing. With a library card, TTS technology (in a device that supports the relevant content), and the above mentioned resources (as digital content), an entire language learning system is available for not much more than a cup of coffee! There is no substantial financial outlay to get you started. Furthermore, there are no additional ongoing fees (and updates), and there are no expiry dates on 'premium' content and resources. (A Dual-Language Book Project) 2Language Books

*Just A Phrase I'm Going Through* Jul 25 2022 Looks behind the curtains at the adventures, challenges and pitfalls of the author's life in linguistics. This book answers the question that the author is most frequently asked: 'How did you become a linguist?'

*Albanian Vocabulary for English Speakers - 3000 Words* Dec 06 2020 3000-WORD ENGLISH-ALBANIAN VOCABULARY This book is a learning tool for mastering basic Albanian vocabulary. It will help you obtain a solid base in your knowledge of the Albanian language. The 3000 words contained in this edition will aid in your understanding of simple phrases and hone your composition skills. This manual will also be an invaluable reference during any trip abroad where the Albanian language is spoken. Simple transcriptions of each word will assist in the memorization of reading rules. Once you have mastered even only 70% of the words contained in this vocabulary guide, you will be able to say: "Yes! I speak a little Albanian!" T&P Books vocabularies are intended to help you learn, memorize and review foreign words. The dictionary contains over 3000 commonly used words Recommended as additional support material to any language course Meets the needs of both beginners and advanced learners Convenient for daily use, reviewing sessions and self-testing activities Allows you to assess your current vocabulary This book can also be used by foreign learners of English Special features of T&P Books bilingual vocabularies: Words are arranged according to their meaning, not alphabetically Content is presented in three columns to facilitate the reviewing and self-testing processes Each theme is composed of small blocks of similar lexical units The vocabulary offers a convenient and simple transcription for each foreign word This edition (June 2018) contains 101 topics including: Basic concepts, Numbers, Units of measurement, The most important verbs, Time, Calendar, Day and night, Months, Seasons, Travel, Sightseeing, City, Shopping, Clothing & Accessories, Cosmetics, Telephone, Phone conversation, Foreign languages, Meals, Restaurant, Family members, Human body, Medicine, Furniture, Household appliances, The Earth, Weather, Natural disasters, Fauna, Wild animals, Countries of the world and more ... Our Albanian collection includes also vocabularies of 5000, 7000 and 9000 words. All these titles are available as printed books and e-books. If you have any question, suggestion or feedback, please contact us: admin@tpbooks.com Albanian dictionary, Albanian vocabulary, Albanian phrasebook, learning Albanian, basic Albanian, books in Albanian, Albanian language

**Complex Lexical Units** Jan 07 2021 Both compounds and multi-word expressions are complex lexical units, made up of at least two constituents. The most basic difference is that the former are morphological objects and the latter result from syntactic processes. However, the exact demarcation between compounds and multi-word expressions differs greatly from language to language and is often a matter of debate in and across languages. Similarly debated is whether and how these two different kinds of units complement or compete with each other. The volume presents an overview of compounds and multi-word expressions in a variety of European languages. Central questions that are discussed for each language concern the formal distinction between compounds and multi-word expressions, their formation and their status in lexicon and grammar. The volume contains chapters on German, English, Dutch, French, Italian, Spanish, Greek, Russian, Polish, Finnish, and Hungarian as well as a contrastive overview with a focus on German. It brings together insights from word-formation theory, phraseology and theory of grammar and aims to contribute to the understanding of the lexicon, both from a language-specific and cross-linguistic perspective.

**Evaluating Second Language Vocabulary and Grammar Instruction** Mar 09 2021 Providing a much-needed critical synthesis of research on teaching vocabulary and grammar to students of a second or foreign language, this book puts the research into perspective in order to distil recommendations for language teaching. Boers evaluates a comprehensive range of both well-established and lesser-known research strands and classroom practices to draw out the most effective instructional approaches to teaching words, multiword expressions and grammar patterns. Chapters discuss learning as a by-product of communicative activities, language-focused instruction, diverse types of exercises, mnemonic techniques and more, with a view to building bridges between the available research on such instructional approaches and how they are commonly implemented in actual language courses and textbooks. This book helps teachers make research-informed decisions regarding their instructional approaches to words, phrases and patterns, and direct researchers to specific areas in need of further inquiry. Boers not only demonstrates how research findings can inform effective teaching, but also calls for a deeper appreciation on the part of researchers of the realities of the teaching profession, making this a worthwhile text for preservice teachers, teacher educators, graduate students and scholars.

**Noun Phrases in Australian Languages** Jun 24 2022 This book presents a first comprehensive typological analysis of noun phrases in Australian languages, covering the domains of classification, qualification, quantification, determination and constituency. The analysis is based on a representative sample of 100 languages. Among other points, the results call into question the classic idea that Australian languages tend to lack phrasal structures in the nominal domain, with over two thirds of the languages showing evidence for phrasehood. Moreover, it is argued that it may be more interesting to typologise languages on the basis of where and how they allow phrasal structure, rather than on the basis of a yes-no answer to the question of constituency. The analysis also shows that a determiner slot can be identified in about half of the languages, even though they generally lack 'classic' determiner features like obligatory use in particular contexts or a restriction to one determiner per NP. Special attention is given to elements, which can be used both inside and beyond determiner slots, demonstrating how part of speech and functional structure do not always align. The book is of interest to researchers documenting Australian languages, as well as to typologists and theorists.

**French Phrases Vol. 2** Jul 13 2021 FRENCH PHRASES Vol.2: English to French THIS EDITION: French Phrases seeks to bridge the gap between knowing individual words and knowing how to create or understand sentences. Sentences are phrases or a combination of phrases, and phrases are a combination of words. The simplest phrases are the simplest ways of combining words. Exposure to a wide variety of phrases, especially in increasing complexity, provides the basis for obtaining a solid grasp of a new language. The reason being, phrases can be combined with other phrases to create endless possibilities in language. French Phrases contains a wide variety of phrases, but it also demonstrates how phrases can increase in complexity - through the inclusion of individual words or other phrases. The text can be used to obtain a fundamental grasp of French grammar. **Literally, the Best Language Book Ever** Sep 27 2022 By turns gleefully precise and happily contrarian, this is a highly opinionated guide to better communication. In *Literally, the Best Language Book Ever*, author Paul Yeager attacks with a linguistic scalpel the illogical expressions and misappropriated meanings that are so commonplace and annoying. Identifying hundreds of common language miscues, Yeager provides an astute look at the world of words and how we abuse them every day. For the grammar snobs looking for any port in a storm of subpar syntax, or the self-confessed rubes seeking a helping hand, this witty guide can transform even the least literate into the epitome of eloquence.

**Perfect Phrases in American Sign Language for Beginners** Aug 14 2021 Quick and easy phrases in ASL for daily life Perfect Phrases for American Sign Language provides 150 essential phrases for hearing-impaired users of ASL and those who interact with them. ASL expert Barbara Bernstein Fant--carrying on the work of her late husband Lou--and illustrator Betty Miller make it easy for you to pick up key signs for everyday communication without having to have prior knowledge of signing. This handy reference is perfect for comfortably and confidently communicating with loved ones, coworkers, patients, or anyone who uses ASL.

**Thai Phrasebook** May 11 2021 1,001 easy to learn Thai words is the easy-to-reach-for phrasebook you are looking for on your travels around Thailand. You will find all the words, saying, and phrases you need, and more to help you get by in Thailand with confidence.

*American English Phrases for Russian Brides and Wives - Dual Language Russian English* Dec 26 2019 first aid for Russian who came to USA with no English

**Handbook of the Malay language** Oct 04 2020

**Chinese Phrase Book** Sep 03 2020 Many Chinese language textbooks are intended mainly for people who study Chinese in formal classes and are based on assumptions that are appropriate primarily for such learners.

*Lexical Phrases and Language Teaching* Jan 19 2022 Presents a language teaching programme based on the use of 'prefabricated language'. The authors show that the unit of language they term the 'lexical phrase' can serve as an effective basis, for both second and foreign language learning.

**Progressive Lessons in the Chinese Spoken Language** Aug 22 2019

**English-Russian, Russian-English Dictionary** Mar 29 2020 Based on American rather than British English, this is among the first Russian dictionaries revised for the post-Soviet era. Includes new political terminology, new Russian institutions, new countries and republics and new city names. Contains 26,000 entries in the English-Russian section and 40,000 words in the Russian-English section. Irregularities in Russian declensions and conjugations appear at the beginning of each entry.

**Learn Spanish in Your Car** Jan 27 2020 Are you tired of spending hours and minutes wasting time? Stop wasting time checking your phone or doing other activities that don't provide you with any benefits and download this book NOW!! Time is the most valuable thing that we have in our lives. It does not matter if you have tons of money, or if you have not, what matters is what you do with your time. Every day that you spend doing nothing, or simply watching any social media that does not provide anything, you are missing out learning something new. By reading this book, you will become one person of the population that speaks the second most spoken language in the world In this book you will find 1001 basic phrases and sentences divided into six chapters: - Chapter 1 Getting started In this chapter you will find phrases about greetings, meeting new people, some questions, nationalities, introducing yourself, and more - Chapter 2 Preferences Here you will find phrases that will help you to express your preferences about topics like politics, music, religion, sports and hobbies - Chapter 3 Transportation The phrases given on this chapter are related to things like car parts, asking for directions, getting on a bus, alternative transportation forms and more - Chapter 4 Jobs At this section of the book you will learn how are called, in Spanish, tons of professions, job-related phrases and applying for a job. - Chapter 5 Daily activities This chapter will provide you all the vocabulary and phrases needed for everyday activities, from getting up, going to school or job, going to the mall, shopping, house chores, and some other situations - Chapter 6 Vacations Here you will read phrases that will be really useful for you when traveling to a Spanish speaking country. You will find phrases about getting to the airport, asking for a taxi to take you somewhere, the names of common touristic places like the beach, museums, parks, also you will find vocabulary about staying at a hotel, accommodation, and finally, animals. As you might have noticed, with all the chapters mentioned above, when you finish the book, you will be able to use a lot of very common phrases in Spanish language. The best thing in this book is that it is not aimed at any specific age, nor genre, nor profession, this is not a "Learn Spanish for economists" nor "Learn phrases for men" nor "Learn Spanish for old people". And that is what makes this book the best of the market, whoever you are, and whatever your intentions with Spanish are, this book will be beneficial for you. At the end of this book, you will have improved your Spanish language knowledge so much that you will be amazed by how easy and quickly you have learned a new language. Scroll to the top of the page and select the buy now button.

**Words and Their Uses, Past and Present** Apr 29 2020

**The Mende Language** Feb 08 2021

**Easy Spanish Phrase Book NEW EDITION** Feb 20 2022 Up-to-date volume, organized for quick access to phrases related to greetings, transportation, shopping, emergencies, other common circumstances. Over 700 entries include terms for modern telecommunications, idioms, slang. Phonetic pronunciations accompany phrases.

**Lexical Priming** Nov 17 2021 Lexical Priming proposes a radical new theory of the lexicon, which amounts to a completely new theory of language based on how words are used in the real world. Here they are not confined to the definitions given to them in dictionaries but instead interact with other words in common patterns of use. Using concrete statistical evidence from a corpus of newspaper English, but also referring to travel writing and literary text, the author argues that words are 'primed' for use through our experience with them, so that everything we know about a word is a product of our encounters with it. This knowledge explains how speakers of a language succeed in being fluent, creative and natural.

**Japanese** Sep 22 2019 INTRODUCING: Over +2000 Japanese Phrases to Sound Like a Native Japanese (Including Pronunciation Tips & Detailed Exercises) Would you like to try a different way of learning Japanese? Are you tired of the traditional methods teachers tell you to use? What if we told you there is a better, more care-free way of learning Japanese and expanding your vocabulary to unprecedented levels? Well, guess what? There is! One of the best ways to learn Japanese is by using practical conversation guides The problem? You might feel like you don't know where to start, or you may feel lost trying to read whatever pops up on the internet. That's exactly why we created this book. Japanese Phrases + Pronunciation Guides = Faster Learning We know how difficult it may seem to learn a foreign language from scratch, let alone trying to put all that learning into practice. But what you might not realize is that it's fairly easy to fully incorporate the essentials of a language if you use pronunciation guides as a shortcut. Pronunciation guides allow you to virtually read out loud a certain 'pronunciation clue' and without realizing it, you will be speaking almost perfect Japanese. This will in time allow you to expand your vocabulary soon enough to travel to Japan, getting a much better grasp of the Japanese language before you do. Practical conversation guides work because they eliminate the stress of forcing yourself to learn. Instead, when you read out loud the different sections we've prepared for you, you will learn Japanese with much less struggle! Your goal is to simply focus on a section at a time (they only take a few minutes to read). Each chapter takes on multiple topics, including tips on how to build rapport with others, shopping, and asking for directions, just to name a few. We wanted these sections to be fun, interesting, and appealing, motivating you to keep on reading. That's the very best way to learn, don't you think? BONUS: Pronunciation Guides + Detailed Multiple Choice Exercises In this book you'll find over fifteen chapters covering a multitude of topics in Japanese. Each chapter contains tables with three columns. You start by reading the first column -word or phrase in English-, then you move on to the second -translation to Japanese-, and then to the third one and read it out loud -it includes a pronunciation clue for that particular word or phrase. Once you're done with this line, you move on to the next one, and so forth until you complete the chapter. It's that easy and fun. READ: Practical Japanese For Beginners - Over +700 Japanese Phrases & Expressions for Everyday Conversation "Practical Japanese For Beginners" contains a multitude of vocabulary lists with key words to grow your Japanese vocabulary to unprecedented levels (right before you go to Japan!). We chose each phrase carefully, in order to support both beginners and intermediate students. We are absolutely sure you will love this book, and we sincerely hope it helps you learn Japanese much faster. How Will Your Japanese Skills Improve? You will learn new words without even realizing it You will incorporate key phrases of the Japanese language You will understand how context affects the meaning of certain words You will get a break from all those dusty Japanese grammar books You will have fun reading out loud pronunciation clues You will get a chance to learn before your trip to Japan Most importantly, you will get a better grasp of the Japanese language, feeling more confident with your abilities Conversation guides are ideal to learn Japanese while having fun. All you need to do is pick a chapter from this book, and start reading. What Are You Waiting For? Get this book now and start learning Japanese. Scroll to the top of the page and click the buy button.

**More Making Out in Korean** Mar 21 2022 More Making Out in Korea is a fun, accessible and thorough Korean phrase book and guide to the Korean language as it's really spoken. Now in its third edition, this is the perfect introduction to Korean as it's really spoken—from everyday interactions to basic questions to the language of love. It includes phrases and tidbits of information on a variety of social situations such as eating out, traveling texting, and much more. More Making Out in Korean features a

pronunciation guide and basic grammar, as well as guidelines for the use of polite and informal phrases so you'll never put a foot wrong when: Meeting and getting to know people Exploring clubs and bars Getting serious in relationships Talking to friends through social media Each expression in this Korean phrasebook is given in Korean script as well as Romanized form to enhance your experience of the language (and help you with "written socializing" on computers and gadgets). Full of colorful slang, straight talk and a little cultural savvy on the side, this book has what you need to get started. Pick it up and get ready to converse.
