**Basic Walking Bass Lines for Jazz Guitar** Feb 23 2020 Basic Walking Bass Lines for Jazz Guitar explores the creation of walking bass lines played over chord sequence using only chord tones. This is the usual path for beginner players who want to start with walking bass before moving to more complex techniques as scalar or chromatic lines. A progressive approach is used to introduce walking bass technique: we begin with lines starting from the root of the chord, then we explore lines starting from chord guide tones (third and seventh) and then we create lines starting from any chord tone. On each step player discovers a new set of lines moving from very mechanical and repetitive examples to more melodic and professional lines. In the first part of this book many exercises on single chord progression are presented, instead in the second part, studied lines are applied to most common jazz progressions.

*Bass Lines* Mar 18 2022 Bass player Coleridge Goode recalls his Jamaican childhood, his arrival in Britain in the 1930s and the lively wartime London club scene. He recounts his career including working with the Ray Ellington Quartet of Goon Show fame and his long association with altoist Joe Harriott, the brilliant but tragic pioneer of European free jazz. Goode recorded with Django Reinhardt, Stéphane Grappelli, Ray Nance, George Shearing and other jazz stars. Always among the innovators, he has helped blend jazz with Indian music, serial compositions, choral works and poetry. In this book he tells candidly of the challenges and rewards of the jazz life as well as the destructive aspects he has seen – especially racial discrimination and drugs. A contributor to many of the most exciting jazz developments of the past half century, Coleridge Goode is a thoughtful witness to a fascinating part of jazz history. ‘The story of a man’s resilience as well as an artist’s ingenuity, of Goode’s steely determination to find his place in a society in a state of flux and play music that was both in and out of step with its shifting demographics.’ — Independent on Sunday. ‘Rich with anecdotes and one man’s observations on the music he loves.’ — Jazz Review

**Advanced Walking Bass Lines for Jazz Guitar** Jan 16 2022 Advanced Walking Bass Lines for Jazz Guitar explores the creation of walking bass lines played over chord sequence using scale tones and chromatic movements.
