Juventus Nov 28 2022 The story of Juventus FC, one of world football's truly great clubs and one of the oldest on the peninsula, is truly the story of Italian football. Known as La Vecchia Signora - "e;The Old Lady"e; - she is the perfect blend of flair, artistry and skill, combined with a ruthless determination and will to win that constantly flirts with the less savoury elements of the game. For every Michel Platini or Alessandro Del Piero to win the hearts of fans of the beautiful game, there has been a Claudio Gentile or Paolo Montero waiting their moment to launch a well-timed elbow into an opponent. For every Gianni Agnelli to woo the crowds with his sartorial elegance and well chosen words, a Luciano Moggi lurks, playing the villain and serving to heighten the levels of hate felt towards the club by rival supporters. It is all encapsulated by those starkly contrasting stripes which have become synonymous with the Turin giants. This is that story, a history in black and white.

The Juventus Story Apr 09 2021 The comprehensive story of the legendary Italian soccer club. A companion to the acclaimed documentary film Black and White Stripes: The Juventus Story, this book chronicles the team's dramatic journey alongside its longtime devoted owners, the Agnelli family. Boasting thirty-three Serie A titles and two European championships, the "Black and White Stripes" are the only major professional sports club that has had the same owners for nearly a century, a legacy that is evident through the visible bond between the family and the club, but which is ultimately tested by competition and tragedy. Unfolding like a stage drama, the book mirrors key moments in the club's history throughout a series of acts that include championships, scandal, family tragedy, and some of the best players the game has ever seen, including Michel Platini, Antonio Conte, Alessandro del Piero, Zinedine Zidane, and Andrea Pirlo. The engaging narrative tells a heartfelt story of a persevering team and the triumph of the human spirit. Highly entertaining and fact-filled, this revelatory book features never-before-seen archival material, with photographs, interviews, and documents that soccer fans the world over will enjoy.

Juve! Mar 08 2021 'Superbly entertaining and incisive' - TLS The definitive history of the iconic football club: the glory, the scandal, the stars and its enduring influence on Italian life. Juventus utterly dominates the Italian game. Home to some of the biggest names in sport, it has won title after title, trophy after trophy. However, parallel to the success and myth, there's a murkier reality. For one hundred years the club and its billionaire owners, the Agnelli family, have been synonymous with match-fixing, doping, political chicanery and more. While La Vecchia Signora remains Italy's best-supported team, it's also its most despised. Juve! charts the story of Italy's great sporting dynasty, chronicling the triumphs and tragedies of the Agnellis, and of the icons - Boniperti, Del Piero, Ronaldo - who have been their sporting emissaries for almost a century. The pride of Italy or its dark heart? Footballing colossus or vanity project? With this unique institution, as with so much about life in Italy, things are seldom black and white...

Heysel Stadium Brussels Oct 23 2019 For the unaware, Liverpool faced Juventus in the European Cup Final at the Heysel Stadium in Brussels on Wednesday 29 May 1985. It had the potential to be one of the all-time great finals, a game that should have taken its rightful place in the annals. Liverpool were Europe's number one club, and Juventus had the opportunity to become the first club to win all three European Cup competitions. Juventus had lost their two previous finals, to Ajax in 1973 and Hamburg in 1983; in both games, they had conceded goals in the first ten minutes of each game. In contrast, the Reds had won all four of their previous finals, beating Borussia Monchengladbach, Bruges, Real Madrid and Roma. If Liverpool had won the game, they would have kept the cup. The man in the Liverpool dugout was Joe Fagan. Fagan was managing his last ever game, after deciding to leave halfway through the 1984-85 season. He had taken over Liverpool, aged sixty-two, in the summer of 1983, having the unenviable task of following on from the football mastermind that was Bob Paisley. As Merseyside football journalist John Keith astutely remarked: "It was akin to walking on stage after Frank Sinatra. Just how do you follow a genius called Bob Paisley? Well, Joe came up with a way and landed the first treble in the history of English football." The coach of Juventus was the legendary Giovanni Trapattoni. Trapattoni had retired from playing in 1972 after a glittering career at AC Milan, winning two Serie A titles and two European Cups, before winning Serie A as manager of both Inter and Juventus. During his near forty-year career in management, he also managed Italy, the Republic of Ireland, Fiorentina, Bayern Munich, Benfica, Red Bull Salzburg and the Vatican City's football team. The line-ups of both teams were packed with international players, superstars and characters. Juventus had Italian World Cup winners Marco Tardelli and Paolo Rossi, Polish great Zbigniew Boniek, and possibly the greatest midfielder of his generation, Frenchman Michel Platini. For Liverpool there was the elegant Scottish centre-half Alan Hansen, their greatest ever player, Kenny Dalglish, and in goal was the charismatic South African Bruce Grobbelaar. On the morning of the game, Brussels woke up to glorious sunshine. To the backdrop of gorgeous weather, the excitement of the occasion and a feeling that this was what life was all about, fans of both teams were mingling happily on the streets of a European capital. Juventus supporter Simone Stenti, a twenty-year-old student at the time, travelled to the match with his father. He recalled: "I love so much those moments that come before such an important match when there is the excitement, the build-up. There were lots of English people; I still have a Liverpool scarf I exchanged with an English supporter." Like Simone, LFC fan Barry O'Hara witnessed supporters swapping scarves; he also saw fans buying each other drinks and kissing each other. It all sounds perfect. Regrettably, just a few hours later, BBC radio football commentator Peter Jones was informing the nation: "This is war correspondent stuff here." So, how did we go from fans kissing one another and exchanging scarves to "war correspondent stuff" within a few hours? This book will try and explain why.
